CENTRAL MARKS DEPARTMENT – III

Our Ref: CMD III/16: IS 5143 13 January 2025

Subject: Guidelines for implementation of Revision of IS 5143: 2024 – Adjustable Axillary Crutches

1. IS 5143:1988 – Adjustable Axillary Crutches has been revised to IS 5143: 2024 and the last date of concurrent running of the Standard with and without Revision 04 March 2025.

2. The revision of this standard has been brought out to align the cross references to the latest standards and to incorporate the updated designation of materials. This revision includes the following amendments to IS 5143: 1988:
   a) Amendment No. 1 March 1993;
   b) Amendment No. 2 September 1994; and
   c) Amendment No. 3 January 2000.

   However, the changes brought through this Revision is tabled below:

Clause No.	Changes	Action required
2	References has been added	No action required
3.6	PU and Plastic Requirement of material for manufacturing Arm Piece and Hand Piece with Integral PU foam with engineering plastic insert has been introduced	Firm to submit declaration for the same

3. Consequent upon the Revision of Indian Standard, the Product Manual has been revised as Product Manual Doc: **PM/ IS 5143/ 2/ December 2024** and is being circulated separately through BIS website**.**

4. The guidelines for implementation of the Revised Indian Standard is given below:

A) LICENSEES

i. Licensee shall implement the requirements of the Revised Standards by 04 March 2025. Any difficulty in implementation shall be brought to the notice of CMD III within one month of issuance of these guidelines. BO shall ensure that no Licences are under operation as per old standard after 04 March 2025. The status of implementation of the revised Indian Standard shall be confirmed by Head (BO) to CMD-III within one month of the last date of concurrent running.

ii. Licensees shall submit the declaration w.r.t material for manufacturing arm piece and hand piece. Licensees shall also submit an undertaking that will implementation the revised standard.

iii. Verification of implementation of the revised standard shall be done during the next visit, which shall be completed within one month from the date of submission of compliance by licensee.

iv. If the Licensee fails to complete all actions by 04 March 2025, it shall be dealt with as per the prevailing guidelines.

B) APPLICATIONS FOR GRANT OF LICENCE

i. Existing Applications where Sample has been submitted in the Laboratory/Test Report has been issued by the Laboratory may be processed without consideration of the revision. However, if the Applicant desires to get the licence with the Revised Standard, a declaration may be obtained from the Applicant to that effect and the Application may be processed accordingly. An undertaking shall also be obtained from such Applicants that if the sample fails while considering the provisions of the Revised Standard, Licence will not be granted as per the old version.

ii. Applications which are recorded henceforth may be processed with or without Revision. Processing of Applications without Revision shall be permitted only upto 04 March 2025 and for such cases Applicant shall give a declaration that they will implement the Revised Indian Standard by 04 March 2025.

iii. After 04 March 2025, no Licence shall be granted without consideration of the Revision.

5. The above guidelines come into force with immediate effect.
