- CNLABS is India's First BIS Approved Lab for Security Testing of CCTV Cameras. Published in aninews.in on 3rd October 2024.

Distinguished User of the Month of BIS Library

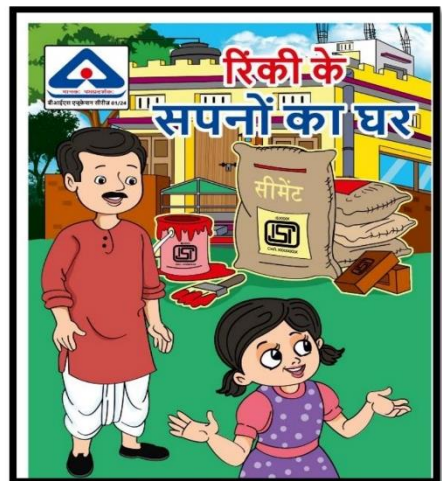

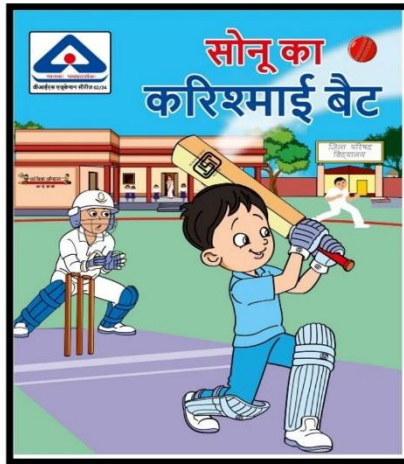

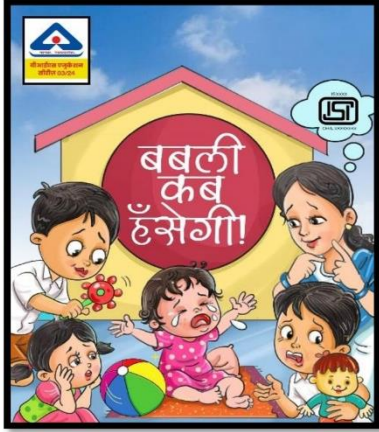

Mr. R. R. Singh, Scientist 'F' - Head, PGD Interacting with Library Team

Mr. R. R. Singh, Scientist 'F' and Head of the Production and General Engineering Department (PGD), visited the library. As one of our most active Library member, Mr. Singh regularly utilizes BIS Library resources for his research, standards formation, and self-study.

During his visit, he consulted with library and issued several books. He took the opportunity to review the library automated services, including the Web OPAC, automated issue and return processes, and the online book reservation facility.

Mr. Singh expressed his appreciation for the news alert services provided by the library and commended the efforts of the library staff. His positive feedback is a testament to the effectiveness of Library services and the commitment of our team.
