

## BUREAU OF INDIAN STANDARDS

### Program of Work

#### **LITD 13 : Interconnection and Information exchange among IT equipment and systems**

**Scope:** Standardization in the field of: a) Computer communication networks and interfaces to these computer communication networks including microprocessor systems, interfaces, Protocols and associated interconnection media for IT equipment and networks. b) Home and building electronic systems in residential and commercial environments to support interworking devices (IoT-related) and applications such as energy management, environmental control, lighting, and security. c) Telecommunications dealing with information exchange between IT/ICT systems encompassing protocols and services of network layers. d) Information & Communication Technologies and Architectures

**Liaison:** **ISO/IEC/JTC1 TC- SC-6 (P):** *Telecommunications and information exchange between systems* **ISO/IEC/JTC1 TC- SC-25 (P):** *Interconnection of information technology equipment* **IEC TC-IEC SyC COMM (P):** *Communication Technologies and Architectures*
