Dear Sirs,

The members of our **Association are Micro and Small Manufacturers** of different kinds of HDPE/PP Woven Fabrics & Sacks

and **Polypropylene - Jute Union Bags (mainly in Southern India)**, used as packing material by industries all over India, and

exported across the world. We generate more than 25 Lakh employments of skilled and unskilled workers, directly and through

downstream businesses.

We understand that BIS is in the process of formulating the specifications of various bags made from such fabrics. As our members

are already making and supplying these bags, and would be directly affected by the decisions taken in this regard, we request you

to allow our Association to be a part of the proceedings and contribute our comments/observations for the same.

We understand that a meeting of TXD 03 has been called for the purpose on 1st September. Kindly send an invitation to our Association,

represented by Mr. Naresh Bhandia - Secretary General, to take part in the proceedings.

Kindly do the needful and oblige.

Thanks and best regards.

Naresh Bhandia - Secretary General
