3.3 Further, Sh. Anand Laddha, Principal member from BARC informed the committee that he shall share the name of alternate member from his organization.

ITEM 4 PROCESS REFORMS IN STANDARDIZATION ACTIVITY OF BIS

Members were informed about the process reforms in standardization activity of BIS, and were requested to submit the undertaking given at Annex 4 of the agenda, the committee noted the information.

ITEM 5 PROGRAMME OF WORK

The committee noted the information (the present program of work of LITD 26). Further, Sh. Anand Laddha, apprised the committee that we may take-up the standardization work for Road Blockers, Active Bollards and Electronic Key Management Systems. He informed the committee that Panel 04 Physical Security Systems Panel of LITD 26 has been created specifically to work upon such subjects.

Sh. Sanjeev Sehgal, informed the committee that one of the key features being asked by the major installations is the face recognition feature in CCTV. There is no Indian Standard on this aspect and the committee should start working on this aspect. The committee agreed on his proposal.

ITEM 6 DOCUMENTS PRESENTLY UNDER BALLOT

Members were informed about the document under ballot, and were requested to comment on the document. The convener of the Panel 3 (Video Surveillance System Panel), Sh. Sanjeev Sehgal briefed the committee about the panel meeting which was convened on 05.10.2023 and urged the members to give their comments on the ballot.

ITEM 7 INTERNATIONAL ACTIVITIES

7.1 The Committee noted the information given at Item 7.1 of the Agenda. The committee opined that Matrix Cosmec Private Limited, is the Indian Company working in the field of intercom since long, therefore they should be requested to nominate a member as an expert for WG 13 – General requirements for building intercom systems.

Further the committee agreed to nominate the member secretary, Devansh Deolekar, Scientist D in the following working groups:

S. No.	Title	Subcommittee/Working Groups/Project Teams/Maintenance Teams
1.	IEC/TC 79 Alarms and Electronic Security Systems	WG 11 - Electronic Access Control Systems
		WG 12 - Video Surveillance Systems (VSS)
		WG 13 – General requirements for building intercom systems

7.2 The Committee noted the information given at Item 7.2 about IEC Standards published by IEC TC 79 which have not yet been adopted as an Indian Standards and decided to discuss them in the respective panel meetings.

ITEM 8 STATUS UPDATE FROM PANELS

8.1 The panel conveners urged for the more active participation from the panel members. Sh. G. B. Singh, Convener of Panel 1 specifically urged the committee for transformation and reconstitution of the panels and urged the committee to onboard active members. It was decided by the

committee to that the conveners will write to the respective panel members about their interest to contribute in the panel. Chairman urged the committee members to join the panels of their expertise and contribute. Also, chairman urged the conveners to convene the panel meetings and see the interest of panel members to continue their contribution. The committee urged ECIL to nominate a member in the Access control Panel, i.e., Panel 3, replacing Sh. Anurag Kumar, as he is the CMD of ECIL now and cannot spare time for the panel work.

8.2 Ms. Malvika Pathak from M/s Sparsh Security System requested that she is an alternated member and should be nominated as Principal Member, instead of Sh. Sumit Behl. The committee agreed to the same.

ITEM 9 PROCESS REFORMS IN STANDARDISATION ACTIVITY OF BIS

9.1 The Committee noted the information given at Item 9 of the Agenda and the presentation delivered by the Member Secretary on the various process reforms in the Standardization Activity of BIS. Committee appreciated the MoU signed by BIS with the premier technical institutes of India. Sh. Sanjeev Sehgal suggested that IIT Roorkee is executing the National Mission on Interdisciplinary Cyber-Physical Systems (NM-ICPS), as part of the mission, IIT Roorkee, is working on technology development, and international collaborative research in the field of CCTV as well. So they may be contacted and involved in LITD 26 related work.

ITEM 10 DATE AND PLACE OF NEXT MEETING

It was decided to convene the next meeting, in hybrid mode, on 12th Feb 2024.

ITEM 11 ANY OTHER BUSINESS

There being no other business, the meeting ended with a vote of thanks to the Chair and the committee members.
