## CED 54/A2.26 Resolutions

<b>Resolution number</b>	<b>Resolutions - CED 54 – 26th Technical Meeting</b> Chair: Shri Shailendra Sharma, <i>In Personal Capacity</i> Member Secretary: Nishikant Singh
CED 54/A2.26/RN-1	CED 54 decided to confirm the Minutes of the 25th Meeting.
CED 54/A2.26/RN-2	CED 54 noted the composition.  CED 54 accepted the request and co-opted Prof Shweta Goyal of Thapar University.  CED 54 allowed to co-opt members in the Working Group 2 and Working Group 8 as requested.
CED 54/A2.26/RN-3	CED 54 noted the Programme of Work.
CED 54/A2.26/RN-4	CED 54 discussed the Item 4.1, 4.1.1, 4.1.2 and requested Working Group 7 to review the drafts and decided that the drafts may be sent directly for Wide circulation after the review.  CED 54 discussed the Item 4.2 and 4.2.1 and requested the WG 3 to expedite the drafts.  CED 54 discussed the Item 4.3 and noted that several meetings have been conducted by the WG 2 and the convenor Prof CVR Murty informed that the draft would be ready for discussion of the Committee before the next meeting. He also suggested to conduct inter-working groups meetings so as to have same requirements for mandrels (bend and rebend test), ratios of Strengths and also corrections in name of the standards with respect to use of wires and bars. The committee agreed to have inter-WG meeting.  CED 54 discussed the Item 4.4 and decided to follow up from M/s Dextra India Pvt Ltd for the draft.  CED 54 discussed the Item 4.5 and requested the WG 6 to expedite the draft.  CED 54 discussed the Item 4.6 and the convenor of WG 1 Sh S S Gaharwar informed that the draft is nearly complete and would be submitted for discussion of the Committee within 03 weeks.  CED 54 discussed the Item 4.7 and Sh Rohit Kumar informed that the samples of 36 mm and 40 mm have now been made available and would be sent for testing soon. Based on the results, draft amendment would be issued.
