Dr B N Das
Chairman – CHD 19 Footwear Sectional Committee.

Sub: Additional Members to CHD 19 Footwear Sectional Committee.

Dear Sir

Greetings from Confederation of Indian Footwear Industries.

The Indian Footwear and Allied industry are poised for growth and the momentum is being achieved with efforts from all the stakeholders, support from the government bodies and institutions.

As we have more categories in footwear and with ever evolving standards it is essential that the standards committee have industry experts having vast and varied experience. To strengthen the quality and to surpass it as a benchmark for the world, we need more ideas and thoughts to be considered by strengthening the Footwear Sectional Committee.

In this regard, we are proposing the names of two highly learned industry veterans with vast experience to be appointed as additional members of the Footwear Sectional Committee.

1. Mr V Abdul Razak
2. Dr Saurabh Bairathi.

Mr Abdul Razak is the Managing Director of VKC Pride, an active member of CHD 19 Panels and has more than 30 years of experience in the footwear industry. He is now entrusted with creating standards for school shoe.

Dr Saurabh Bairathi is the Managing Director of Bairathi Shoes and has completed his doctorate in Chemical Engineering.

He was the force in proposing many changes in the standards during the panel discussion.

Both the stalwarts will be able to bring a different perspective to the committee.

On behalf of CIFI, we are nominating these two industry veterans as additional members to the Footwear committee.

We humbly beseech you to thoughtfully consider our recommendation. This action is crucial to preserving the competitiveness of the Indian footwear industry and fortifying its resilience against future challenges.

Sincerely

V. Noushad
President - CIFI
