Please note the followings for needful Incorporation

Clause 7

Additional information .. This is an unlined shoe

The shoes shall not be made in string lasting as no insocks is provided.

Since insole is there in the standard , upper has to be of strobbel construction or tack lasting

Additional features in Design

Since it is more of an uniform footwear there should be uniformity and not multiple designs

Additional feature in Shape

The uniform footwear must have broad toe for long hour use

Additional feature to add TOE SPRING ...

The footwear shall have toe spring and such should be 2mm 5 mm 8 mm.and 12mm minimum for categories 1 to 4

Additional feature to add ..in upper

Footwear upper shall be breathable

All above are to be considered

Thanking you

Basak j

**Subject:** P-Draft- School Shoe

Dear Preeti,

With reference to the last CHD 19 Committee meeting, it was decided for **school shoe** to develop new working document. As part of **Panel 8 member**, herewith I am attaching New Working document prepared by me. We will discuss in the forthcoming meeting this document.

Regards

R. Mohan
