

FOR BIS USE ONLY

CONCRETE SUB COMMITTEE, CED 2:2

MEETING RESOLUTIONS

Resolutions:- *Thirty six Meeting*

Document type:	Resolution
Date of document:	06 November 2024
Background:	The Convener (Shri Jose Kurian) welcomed all the members in the 36 th meeting of CED 2:2. He requested all the members to actively participate and provide their suggestions on the draft standards to be discussed during the meeting.

Resolution number	Resolutions - CED 2:2/A-2.36 Technical Meeting Convener: Shri Jose Kurian Member Secretary: Shri Jitendra Kumar Chaudhary
CED 2:2/A 2.36/RN-01	The Minutes of last meeting of CED 2:2 was confirmed.
CED 2:2/A 2.36/RN-02	The Subcommittee noted the composition of Concrete Subcommittee and decided to send final reminders to those member organizations which are not participating from last three meetings of the Subcommittee.
CED 2:2/A 2.36/RN-03	The Subcommittee considered and welcomed the proposed New Work Item on Specification for curing compounds as referred by CED 2. In this regard, the Subcommittee referred this project to the Working Group on Concrete Admixtures under CED 2:2 for further consideration and action.
CED 2:2/A 2.36/RN-04	The Subcommittee considered the working draft on Installation and on-site testing of post-installed anchorage to concrete — Code of practice and made various recommendations on the draft. The Subcommittee requested the Working Group to consider the suggestions made by the members and provide the updated draft which can be circulated to all members of the Subcommittee.
CED 2:2/A 2.36/RN-05	The Subcommittee constituted a Working Group under the leadership of Shri L. K. Jain to review the revision draft of IS 2502 Code of practice for bending and fixing of bars for concrete reinforcement and requested to formulate the initial draft and place it before the Subcommittee in its next meeting.
CED 2:2/A 2.36/RN-06	The Subcommittee decided to hold the next meeting in February 2025.
