

EXPERIENCE LETTER

This letter confirms that Mr. Manoj Kumar served as a Project Assistant in Electronics Engineering at 'Aishwarya Facility Services' from 25th September 2021 to 15th September 2022. He contributed significantly to project planning, execution, troubleshooting and associated in various projects activities as

- PCB design and simulation on Eagle and Ni- Multisim
- Speed and Direction control of DC Motor
- Interfacing LM35 Temperature sensor with Arduino UNO
- EMI and EMC Testing.

Manoj Kumar demonstrated a strong grasp of electronics engineering concepts and collaborated effectively with the project team. We recommend him for future opportunities in the field.
