

Anand Suhas Gharpure
Director, Sonic Multitech Pvt Ltd
Chair Elect 2023, IEEE Bombay Section, R10

Bio:

Myself, Anand Suhas Gharpure from Nashik, Maharashtra, India. I have completed my Diploma in Industrial Electronics, Post Diploma in Medical Electronics and Graduation in Electronics Engineering from University of Pune. I am first generation Technopreneur in Avionics Development and Repairs with main focus on Obsolescence Management and mainly catering to Indian Defence and Defence Public Sector units (DPSU's). We also have ISO/IEC 17025:2015 accredited Testing Laboratory under Electronics discipline for Environmental Testing as per IEC60068, MIL810 catering to vendors of Defence Suppliers as well as approval from the Directorate of Aeronautical Quality Assurance (DGAQA), Department of Defence Production, Government of India. I have also won National Level award from IETE in 2015 for Avionics Design titled as "IETE FI Lt Tanmay Dandass Memorial Award". Our company is instrumental in developing and upgrading the Vintage products of Soviet Make and has been successfully upgraded more than 50+ lines as well as repairs of more than 500+ items. Our company has also received "In-house R&D" by Dept of Science & Technology (DST), Government of India and "Design House" approval by CEMILAC, DRDO, Ministry of Defence, Government of India.

I am also a Senior Member of IEEE and Member of Institution of Engineers (IEI), Member of Aeronautical Society of India (AeSI), Member of IETE with Charter Engineer from Institution of Engineer. I have been volunteering for IEEE since College days and I was Charter Chair of Amrutvahini College of Engineering Student Branch which was 1st Rural Branch of IEEE in India. I have been part of IEEE Bombay Section Executive Committee since 2010 and helmed Webmaster, YP Chair, Treasurer and Secretary till now and currently being Chair Elect 2023. I was also instrumental in starting the AESS Chapter in Bombay Section and was Charter Chair for the same.

Professionally, I am also on board of Technical Studies (PWC/Advisory Committee) on Government Polytechnic, Nashik as well as my own Alma matter Amrutvahini College of Engineering since 2018. I have also been serving as Mentor to Sardar-Patel the Business Incubator (SP-TBI) and External Examiner for University of Pune. We also believe in giving back to society and under the same initiative we offer internship and project guidance to UG and PG students for a period of 1 month to 1 year.
