Dear Sir / Madam,

We are holding licence for PP Woven Sacks as per IS 16703 : 2017. { CML-6200144490 Bright Packaging Pvt Ltd Valid up to 14 Nov 2021. } IS 16703 refers to IS 10789 : 2000. { TXD 20- Textiles — ICS 59.080.01 , Stitch types — Classification and terminology (first revision) } . Even after putting in lot of effort we could not get the standard. The BIS Service portal and StandardsBIS (BSBEdge) shows that IS 10789 is superseded by IS 6240. But IS 6240 is of MTD 4 and is nowhere related to Classification of Stitches. There appears to be some typographic mistake in database related to IS 10789. Please enable us to trace the IS for STITCHES TYPE- CLASSIFICATION AND TERMINOLOGY - TXD 20
