The Chairman
MHD 15
Electromedical, Diagnostic Imaging and Radiotherapy Equipment Sectional Committee,
Bureau of Indian Standards,
New Delhi – 110002.

Sub: Membership in MHD 15.

Dear Sir

We are a registered society and an association of engineers working on skill development in electrical safety. We are member in several ETD and CED committees. Several of our members are in various BIS and IEC committees.

We would like to seek membership in MHD 15 in which the subjects of Medical Electricals are handled.

We would like to nominate Mr. Gopa Kumar S who is a member in IEC TC64, MT 40, which is the maintenance team on IEC 60364-7-710 Requirement of Electrical Installations in Medical locations. He is also a member in ETD 20, ETD 30, ETD 50 and various other committees of BIS and IEC. The IEC 60364-7-710 is adopted as IS 17512.

The subjects of the above referred standard is related to the Medical Electrical Equipment and Medical Electrical System used in Group 1 and Group 2 Medical Locations. The standard is made for safe and reliable functioning of ME and MES made as per IEC 60601.

Principal Member

S. Gopa Kumar, President, National Federation of Engineers, Chennai
Mobile 99625 2244, e mail: gopa0904@gmail.com

Thanking you and expecting your favourable reply and support.

For National Federation of Engineers

Appavoo S
