Seconded European Standardization Expert in India

Authorization for Participation in the LITD Technical Committees

Dear Madam/Sir,

EU Projects SESEI (Seconded European Standardization Expert in India) has been established to play an important role in strengthening the dialogue between India and Europe on new technologies, standards, and policies. The Seconded European Standardization Expert for India (SESEI) project was launched in March 2013 and is supported and operated by the European Committee for Standardization (CEN), the European Committee for Electrotechnical Standardization (CENELEC) and the European Telecommunications Standards Institute (ETSI), as well as by the European Commission's Directorate General for Enterprise and Industry (EC DG ENTR) and by the European Free Trade Association (EFTA).

CEN – CENELEC- BIS and ETSI-BIS have also signed Memorandum of Understanding (MoU) for cooperation, which also emphasizes the need of creating synergies to enhance the mutual understanding of the development of standards; sharing of information and knowledge about the most recent developments of standardization work including the policy framework governing standardization; etc.

On behalf of Project SESEI, Mr. Dinesh Chand Sharma (Project Director – Standards & Public Policy) has been authorized to participate in the BIS Technical Committee of mutual Interest for which this request has been submitted online. Mr. Dinesh Chand Sharma has the expertise and knowledge to participate and contribute to the technical committees and their participation will allow both sides to learn and share the status of subject specific topic related to standardization in Europe and Globally.

We look forward to your kind consent and productive engagement through these technical committees.

Kind regards,

Dinesh Chand Sharma
Director Standards & Public Policy
