To
The Chairperson
BIS AI committee, LITD 30
Date: 21-Oct-2024.

Sub: Nomination of Jaydeep Sen as an IBM Representative to join BIS AI Committee i.e. LITD 30.

IBM India is pleased to nominate Jaydeep Sen as a representative of IBM to serve as a member of BIS AI standardization committee also known as LITD 30. Jaydeep is a senior research scientist at IBM Research India and manager of Speech and NLP technologies in Conversational AI group. He has been successfully leading frontier AI/NLP applications in the field of Question Answering and Retrieval. He has good experience in building reusable open source technologies like PrimeQA toolkit and also in latest technical innovations happening in IBM's flagship offering WatsonX. He is also actively involved in AI Alliance projects with other prominent Stakeholders in India in NLP research such as Ai4Bharat, IIT Mumbai. We think he will be a good fit to LITD 30 and related workgroups relevant to BIS AI committee where he can work with the fellow committee members and meaningfully contribute to this important goal of making AI safe and impactful for its ever growing applications in India.

Yours FaithFully
