

**Memorandum of Understanding
between
Bureau of Indian Standards
and
Indian Institute of Science
for
Establishing BIS Standardization Chair Professorship**

This Memorandum of Understanding ('MoU') is made on **3rd July, 2024** between the **Bureau of Indian Standards**, the National Standards Body of India established under the Bureau of Indian Standards Act, 2016 for the harmonious development of the activities of standardisation, conformity assessment and quality assurance of goods, articles, processes, systems and services and for matters connected therewith or incidental thereto, having its Headquarters at 'Manak Bhavan', 9 Bahadur Shah Zafar Marg, New Delhi - 110002, hereinafter referred to as the **Bureau**, or the **FIRST PARTY**,

and

The **Indian Institute of Science**, an institute having expertise in the area of scientific and technological education and research, and the application of scientific knowledge and technology to human advancement and social development, established as a Trust registered under the Charitable Endowment Act of 1890 and a centrally funded Technical Institution, a Deemed University and an autonomous body funded by Ministry of Human Resource Development, Government of India and having its Registered Office at Indian Institute of Science, Bangalore 560012 hereinafter referred to as (**IISc**), or the **SECOND PARTY**.

Both the Bureau and IISc hereinafter refer to individually as the 'Party' and collectively as 'Parties'.

1. General

The Bureau, with this Memorandum of Understanding (MoU) with IISc intends to develop collaborative activities in the field of Standardization and Conformity Assessment on the basis of equality and reciprocity.

One of the areas of collaboration identified is to appoint a Chair in the field

Pranshu

of Standardization and Conformity Assessment for which the Bureau will provide financial support to IISc.

2. Objectives

The creation of a BIS Standardization Chair is for research & development, teaching and training in the field of Standardization and Conformity Assessment in the country with focus on the areas of civil, electrical, mechanical, chemical, earthquake engineering, development and management of water resources and renewable energy projects, infrastructure development, medical biotechnology & nanotechnology, biomaterials, etc. (as mutually agreed).

3. Activities

The BIS Standardization Chair Professor is expected to provide leadership in one, or more, of the following areas:

- a) Coordinating R&D efforts towards development of standards and inputs to the drafts of new Indian Standards or revision/amendment of Indian Standards or are of relevance to Conformity Assessment Schemes of the Bureau.
- b) Identifying and facilitating the integration of existing R&D project outputs with standards, as may be relevant.
- c) Undertaking review of Indian Standards involving thorough analysis of technical developments that have taken place in the product/processes/practices/use or application/testing/input materials, the international standards available, etc., relevant to the standard under review.
- d) Preparation of handbooks/literature/case studies on implementation of Indian Standards and Conformity Assessment.
- e) Sensitizing and strengthening participation of the faculty/professors of IISc in standards formulation activities of the Bureau.
- f) Promoting the integration of Indian Standards in course curricula of IISc and for initiating short term course on standardization in IISc.
- g) Organization of BIS-IISc joint seminars, conferences, workshops, symposia or lectures on topics of Standardization and Conformity Assessment of common interest for dissemination of knowledge. At

Pramod

least one lecture to be given by the Chair Professor every year at an event organized by the Bureau.

- h) Designing and executing short-term capacity-building programmes and training programmes on Standardization and Conformity Assessment.
- i) Exchange with incubation centres in IISc for promoting how standards can encourage/facilitate innovation.

4. Contribution

4.1 Bureau's Contribution

In order to create a corpus fund at IISc, the Bureau will provide a non-refundable endowment of Rs. 1,25,00,000/- (Rupees One crore twenty-five lacs only) in a single installment for creating BIS Standardization Chair Professorship at IISc. The expenditure related to the Chair, including honorarium, contingency and travel shall be met from the interest accrued on the corpus. The endowment fund shall be managed and maintained by IISc in perpetuity. Specific projects or studies identified or conceived or facilitated through this Chair will need separate funding as per the requirement of the project.

4.2 Responsibility of IISc

IISc shall provide adequate and suitable office space and administrative support towards institutionalizing the Chair, and access relevant central facilities such the library, computation & network, dedicated webpage, etc. Since the principal 'Coordinator' role of the Chair is administrative and/or managerial it is unlikely that any IP could be generated. If at all any IP were to be generated, BIS would be diligently intimated for advice and perusal in the matter.

5. Selection of the Chair Professor

The Chair Professor will be selected through an open advertisement as per the norms of IISc. IISc will take steps to ensure that the BIS Standardization Chair Professor is appointed within six months of the signing of the MoU.

6. Monitoring and Tenure of Chair Professor

6.1 For effective functioning of the Chair, the following Steering Committee will meet as and when required:

- a) Dean, Division of Mechanical Sciences, IISc – Chair
- b) Nominee of the Bureau (to be decided) – Member
- c) BIS Standardization Chair Professor – Convener

Prasad

6.2 The Chair Professor shall submit the detailed report of the projects/assignments (completed & ongoing) to the Steering Committee every year.

6.3 The tenure of the Chair Professor will be three years.

7. Due caution would be exercised by IISc in dissemination/publication of any information/data/findings of a sensitive/classified nature, emanating out of this collaboration. Bureau's support is to be duly acknowledged in publications by the Chair Professor.

8. Nothing contained herein shall be construed as establishing or creating a relationship of master and servant or principal and agent between the Bureau and IISc or the employees of the Bureau and IISc or the Chair appointees and Bureau or any person directly or indirectly associated with this collaboration.

9. All activities of the Bureau and IISc, in relation to the BIS Standardization Chair Professorship, will be as per the policies and guidelines laid down by the Bureau and IISc and under the framework of the Bureau-IISc MoU on Standardization and Conformity Assessment.

10. Confidentiality

10.1 The Receiving Party shall ensure confidentiality of documents and information received and marked as confidential of the Disclosing Party, within the framework of this MoU. The documentation and information can be shared with a third party only with the written consent of the Disclosing Party.

10.2 The obligation of non-disclosure of such documentation and information shall survive till the validity of this MoU.

11. Resolution of Disputes

Dispute Resolution: The Bureau and IISc will jointly resolve the dispute in a spirit of independence and shared responsibility. In case of any dispute that cannot be resolved amicably, it shall be referred to Sole Arbitrator, to be mutually appointed by both the parties, whose decision shall be final and binding upon both the parties. The provisions of the Arbitration and Conciliation Act, 1996, as amended from time to time, shall be applicable.

12. Right to Intellectual Property and confidentiality

The copyright of all documents/literary works arising from this MoU shall be owned by the Bureau. The documents and information of the Bureau must not

Pramod

be shared with third parties or reproduced, whether in whole or part, without the prior written consent of the Competent Authority of the Bureau;

13. Governing Law and Jurisdiction

The Hon'ble courts at Delhi alone shall have the jurisdiction to try and decide the lawsuit arising out of this MoU.

14. Effective Date and Duration

This Memorandum of Understanding shall be effective from the date of the signing by both the parties and shall remain in force for a period of ten years therefrom. Thereafter it shall be automatically renewed for successive ten-year periods. The Parties may renew the term of the MoU by mutual consent of both the parties.

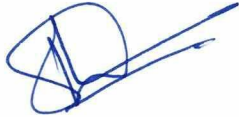

15. Termination of the MoU

The MoU may be terminated by the Bureau any time by giving a written notice of 6 months to IISc.

16. Amendment

This Memorandum of Understanding may be amended and supplemented at any time by written consent of both the Parties.
