Review Document

Basic Details

| | | |
|----|----------------------------------|---------------------------------------------------------------------------------------------------------------------------------------|
| 1. | Sectional Committee No. & Title: | PCD 18 - Fragrance and Flavour |
| 2. | IS No : | IS 326 : Part 5 : 2006 |
| 3. | Title : | Methods of sampling and test for natural and synthetic perfumery materials: Part 5 determination of refractive index (Third Revision) |
| 4. | Date of Previous Review: | August, 2017 |

Review Analysis

5.1 Status of standard(s), if any from which assistance had been drawn in the formulation of this IS.

| S.No. | Standard (No.) | Standard (Title) | Whether the standard has since been revised | Major changes | Action proposed |
|-------|----------------|--------------------------------------------------|---------------------------------------------|---------------|-----------------|
| 1 | ISO 280:1998 | Essential oils Determination of refractive index | No | Nil | Nil |

5.2 Status of standard referred in the IS.

| S.No. | Referred standards (No.) | Referred standards (Title) | Since revised IS no. of the corresponding IS | Changes in the referred Standards since last review of IS | Changes in the referred standard which are affecting the standard under review | Action proposed |
|-----------------------------|--------------------------|----------------------------|----------------------------------------------|-----------------------------------------------------------|--------------------------------------------------------------------------------|-----------------|
| No entry made in this table | | | | | | |

5.3 Any other standards available related to the subject & scope of the standard being reviewed (International/regional/other national/association/consortia, etc or of new or revision of existing Indian Standard).

| S.No. | Standard (No.) | Standard (Title) | Provisions that could be relevant while reviewing the IS | Action proposed |
|-----------------------------|----------------|------------------|----------------------------------------------------------|-----------------|
| No entry made in this table | | | | |

5.4 Technical comments on the standard received, if any.

| S.No. | Source | Clause of IS | Comment | Action proposed |
|-----------------------------|--------|--------------|---------|-----------------|
| No entry made in this table | | | | |

5.5 Information available on relevant technical developments

| S.No. | Source | Development | Relevant clause of the IS under review that is likely to be impacted (Clause & IS No.) | Action proposed |
|-----------------------------|--------|-------------|----------------------------------------------------------------------------------------|-----------------|
| No entry made in this table | | | | |

5.6 Issues arising out of changes in any related IS or due to formulation of new Indian Standard.

| S.No. | Related IS (revised or new) | Related IS Title | Provision in the IS under review that would be impacted & the clause no. or addition of new clause/provision | Changes that may be necessary in the Standards under review | Action proposed |
|-----------------------------|-----------------------------|------------------|--------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------|-----------------|
| No entry made in this table | | | | | |

5.7 Any consequential changes to be considered in other IS.

| S.No. | Related IS to get impacted | Related IS Title | Requirements to be impacted |
|-----------------------------|----------------------------|------------------|-----------------------------|
| No entry made in this table | | | |

Other Details

| | | |
|---------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 6. | Any other observation: | This Indian Standard (Part 5) (Third Revision) which is identical with ISO 280:1998 Essential oils Determination of refractive index issued by the International Organization for Standardization (ISO) was adopted by the Bureau of Indian Standards on the recommendation of the Natural and Synthetic . Fragrance Materials Sectional Committee and approval of the-Petroleum, Coal and Related Products Division Council. ISO 280 has not been revised since 1998. Hence, there are no changes recommended in IS 326 (Part 5) : 2006/ ISO 280 : 1998 |
| 7. | Upload Supporting Document(s) | |
| 7.1 ARP Report | | 69_9847_220602053939_ARP_Report.docx |
| 7.2 Draft Document | | 69_9847_220603024308_Draft_Document.docx |
| 8. | Recommendations - On the basis of the analysis of the info available as mentioned above consideration of sectional committee is solicited on the following aspects of the IS under review: | This Indian Standard (Part 5) (Third Revision) which is identical with ISO 280:1998 Essential oils Determination of refractive index issued by the International Organization for Standardization (ISO) was adopted by the Bureau of Indian Standards on the recommendation of the Natural and Synthetic . Fragrance Materials Sectional Committee and approval of the-Petroleum, Coal and Related Products Division Council. ISO 280 has not been revised since 1998. Hence, there are no changes recommended in IS 326 (Part 5) : 2006/ ISO 280 : 1998 |
