**Item 1 OPENING OF THE MEETING**

**1.1** On behalf of BIS, the Member Secretary CHD 13 welcomed the Convener and the other panel members to Second Meeting of ALERT PANEL CHD 13:P2 Water Treatment Chemicals Purposes and requested them to participate actively in the meeting.

**1.2** The Dr. Nitin Endlay, Convener welcomed the members for participating in the meeting via Video Conferencing and requested members to actively participate in meeting and contribute to formulating standard on Recycled water in terms of grey and Black water.

**Item 2 COMPOSITION OF PANEL**

**2.1** The Panel reviewed the composition of the ALERT PANEL CHD 13:P2 as given in Annex I of the agenda.

**Item 3 DRAFT UNDER PREPARATION**

**3.1 Recycled water**

- The Panel reviewed the proposal received from Ministry of Consumer Affairs, Food and Public Distribution (MoCA) for formulating standard on Recycled water in respect of Grey-water and Black-water and observed as follows:
  - 1) Water Quality for Industrial Purposes, CHD 13 Sectional Committee had formulated standard on Quality criteria of water for different industries which can be referred incase the recycled water is to be used in industries.
  - 2) However, incase the recycle water is to be used for portable purposes, the standards for drinking water formulated under Drinks And Drinking Water Sectional Committee, FAD 14 may be referred.
  
- In the view of above, the Panel recommended BIS to conduct an internal meeting to specify the scope of work related to this new subject and if required more clarifications may be sought from MoCA, and communicate the same to Panel so that work of formulating standard on this new subject is carried out at faster pace.

#### **Item 4 ANY OTHER BUSINESS**

#### **Item 5 VOTE OF THANKS**

The meeting ended with the hearty vote of thanks to the chair.
