## Certificate

The Department of Mechanical Engineering had undertaken the consultancy work for Maharashtra Natural Gas Limited (MNGL) at Chikhli Gas Refueling Station, Pune. The project involved the Energy Audit of Gas Compressors. Our M.Tech. Students Mr. Pratik Suresh Dange and Mr. Sachin Chandrakant Sonage were assigned the tasks of study of the maintenance schedules, on-site data collection, and study on possible reasons for shut - down of compressor at the MNGL Fueling Station, Chikhli, Pune. The overall aim of the project was to reduce the shut-down time and improve the efficiency of the compressor. His involvement in the project work was from October 2018 to February 2019. Dr. Madhukar Tandale, Professor of Mechanical Engineering was Principal Investigator for this project.
