Respected Sir,

We see from the website of BIS that “Stop Marking” has been imposed from 2024/10/11 by BIS on M/s ORGANIC INDUSTRIES PVT LTD, Address:- S/163, GIDC, DAHEJ, TALUKA VAGRA DIST. BHARUCH, BHARUCH, Gujarat, PIN:-392130 (CML No. : 7200155608) who are manufacturers of Boric Acid which requires mandatory compliance with IS10116:2015.

However, in defiance of the above “stop marking” M/s Organic Industries Pvt Ltd. in sheer defiance of the Act, Rules and the Regulations, have continued to continuously run their plant and are carrying out full production of Boric Acid.

We attach along with photographs and video taken last night as well as today showing clearly that smoke is coming out of their Boiler Chimney and the plant is running.

“Stop Marking” had earlier also been imposed on them for manufacturing Boric Acid not conforming to IS10116:2015 but was lifted within a few days (copy attached). After that, too, their samples have failed several times, including market samples, but surprisingly no action was taken by BIS. In one case, the concerned BIS officer after becoming aware of the failure of their market sample, informed them of the same on e-mail but took NO action on them.

This manufacturer has openly declared before the then additional secretary Mrs. Nidhi Khare and also during the sectional committee meetings of BIS that they are not manufacturing as per the Standards. These meetings were held from June 2023 through July 2023 ( 2 months) where they continued to declare that they are not manufacturing Boric Acid as per the BIS Standard. These declarations of non-conformance by M/s Organic Industries P. Ltd., Dahej is recorded in all the minutes of the said meetings. However, in spite of this no action was initiated against this manufacturer.

In view of the above, since BIS is mandated with protecting the interests of the consumers, **strict action is humbly requested to be taken by CANCELLATION OF LICENSE of M/s Organic Industries Pvt. Ltd., Dahej** for the multiple failure of their samples of Boric Acid, and their defiant act of continuing to manufacture Boric Acid despite the imposition of “Stop Marking” on them for the Second time.

Thank you.

Respected Sir,

We beg to refer to our earlier email today wherein we informed your kind self that as per the website of BIS "Stop Marking" has been imposed from 2024/10/11 by BIS for second time on M/s ORGANIC INDUSTRIES PVT LTD, Address:- S/163, GIDC, DAHEJ, TALUKA VAGRA DIST. BHARUCH, BHARUCH, Gujarat, PIN:-392130 (CML No. : 7200155608) for multiple failure of samples of Boric Acid which were found non-conforming to IS10116:2015.

Now, it has come our knowledge that M/s Organic Industries Pvt. Ltd. have not only continued to manufacture **but are also continuously selling multiple consignments of Boric Acid, even after the imposition of "Stop Marking"** as per the details produced below :

Sold to : M/s Manali Traders-Boron, Bhiwandi  
Eway Bill No. 621797625502  
**Eway Bill Date : 14-10-2024**

Sold to : M/s Manali Traders-Boron, Bhiwandi  
Eway Bill No. 651797641718  
**Eway Bill Date : 14-10-2024**

Sold to : M/s Manali Traders-Boron, Bhiwandi  
Eway Bill No. 691797656321  
**Eway Bill Date : 14-10-2024**

**Note: Boric Acid has been dispatched to this buyer in green container whose video is attached along with.**

Sold to : M/s ACETO PHARMA (INDIA) PRIVATE LIMITED, Ahmedabad  
Eway Bill No. 681797586278  
**Eway Bill Date : 14-10-2024**

**Note: Boric Acid has been dispatched to this buyer in truck whose photo is attached along with.**

Sold to : M/s Manali Traders-Boron, Bhiwandi  
Eway Bill No. 631796355801  
Eway Bill Date : 11-10-2024

Sold to : M/s Shinesurface Chemicals Private Limited, Pune  
Eway Bill No. 691796634894  
Eway Bill Date : 11-10-2024

Sold to : M/s Allied Oxides & Derivative, Bawana  
Eway Bill No. 641796593082  
Eway Bill Date : 11-10-2024

The above information is available in the GST portal of the Government, which can be accessed by BIS.

It is seen that the empty trucks have reached the afore-mentioned address of M/s Organic Industries Pvt. Ltd., Dahej at day time for loading of Boric Acid, but have only been dispatched from the factory at night in the darkness.

In consideration of the the multiple failure of samples of M/s Organic Industries Pvt. Ltd, repeated declarations that they are not manufacturing as per the Standards to the then Additional Secretary(Consumer Affairs) and to the BIS officials in the sectional committee meetings, which are recorded in the Minutes of the meetings and available with the BIS, and the above evidences confirming the defiant act of M/s Organic Industries Pvt. Ltd, Dahej by continuing to manufacture and sell Boric Acid despite the imposition of "Stop Marking" on them for the Second time, it is once again humbly requested that **urgent and strict action is taken by CANCELLATION OF LICENSE** and the sealing of the factory of M/s Organic Industries Pvt. Ltd., Dahej urgently.

Thank you.

Respected Sirs,

We beg to refer to our previous e-mails dated 14<sup>th</sup> October 2024 and informing you of the continued production and continuation of dispatches by M/s Organic Industries P. Ltd. Address:- S/163, GIDC, DAHEJ, TALUKA VAGRA DIST. BHARUCH, BHARUCH, Gujarat, PIN:-392130 (CML No. : 7200155608), in spite of imposition of "STOP MARKING" on them on 11<sup>th</sup> October, 2024, in sheer violation of the BIS Act, Rules & Regulations.

Vide our above emails, we had provided you photographs of the running plant, photographs of the trucks, GST E-way Bill nos, Date and the name of the customer, to whom Boric Acid was dispatched, in spite of STOP MARKING.

Now, vide this e-mail, we provide further **irrefutable evidences** of dispatches of Boric Acid by M/s Organic Industries P. Ltd, Dahej, Gujarat even while the STOP MARKING is in force.

Attached, along with, please find the copies of Six statutory GST E-Way Bills for the six dispatches of Boric Acid made by M/s Organic Industries Pvt. Ltd after imposition of STOP MARKING. These GST E-Way Bills are statutory documents sent along with trucks, containing each and every details of the dispatch made :-

**The above documentary evidence can be verified from the following GST website of the Central Government :**

**<https://ewaybillgst.gov.in/Others/EBPrintnew.aspx>**

In view of the severe violation of the BIS Act, Rules and Regulation even while the STOP MARKING is in force, imposition of STOP MARKING on them for the 3<sup>rd</sup> time, multiple failure of samples, including market samples, admission before the then Additional Secretary and also before the Technical Committee of BIS by the Managing Director of M/s Organic Industries Pvt. Ltd and his son that Boric Acid manufactured by them doesnot conform IS 10116:2015, duly recorded in the circulated Minutes of the above meetings, it humbly requested that strictest action be taken against the above firm by Cancelling their license and initiating prosecution against them, as prescribed in the BIS Act & Rules.

Thank you.

Respected Sir,

We request you to kindly peruse the contents of the trailing e-mail and **the irrefutable proofs attached**, which clearly proves that M/s Organic Industries have dispatched large quantities of Boric Acid, after the imposition of "STOP MARKING" by BIS on 11<sup>th</sup> October, 2024. In addition, they have also continued their production with the ISI marking, even after the imposition of STOP MARKING.

Even after such blatant disregard for BIS Laws **for the third time** by Organic Industries, Dahej, Gujarat resulting in no or very mild action from BIS is setting a bad precedent.

We request you to kindly peruse all the evidences and also photographs attached to this mail, which were sent to BIS on 14<sup>th</sup> October 2024 and the contents of the e-mail appended below to know the gravity of the situation.

Most humbly, we request you to kindly consider stringent prosecution of M/s Organic Industries P Ltd, Gahej, Gujarat under the BIS Act, Rules & Regulations in view of the repeated violations.

Regards,

Pravin Chavan

**Subject:** Dispatches by M/s Organic Industries P. Ltd, even after imposition of STOP MARKING

Respected Sirs,

We beg to refer to our previous e-mails dated 14<sup>th</sup> October 2024 and informing you of the continued production and continuation of dispatches by M/s Organic Industries P. Ltd. Address:- S/163, GIDC, DAHEJ, TALUKA VAGRA DIST. BHARUCH, BHARUCH, Gujarat, PIN:-392130 (CML No. : 7200155608), in spite of imposition of "STOP MARKING" on them on 11<sup>th</sup> October, 2024, in sheer violation of the BIS Act, Rules & Regulations.

Vide our above emails, we had provided you photographs of the running plant, photographs of the trucks, GST E-way Bill nos, Date and the name of the customer, to whom Boric Acid was dispatched, in spite of STOP MARKING.

Now, vide this e-mail, we provide further **irrefutable evidences** of dispatches of Boric Acid by M/s Organic Industries P. Ltd, Dahej, Gujarat even while the STOP MARKING is in force.

Attached, along with, please find the copies of Six statutory GST E-Way Bills for the six dispatches of Boric Acid made by M/s Organic Industries Pvt. Ltd after imposition of STOP MARKING. These GST E-Way Bills are statutory documents sent along with trucks, containing each and every details of the dispatch made :-

**The above documentary evidence can be verified from the following GST website of the Central Government :**

<https://ewaybillgst.gov.in/Others/EBPrintnew.aspx>

In view of the severe violation of the BIS Act, Rules and Regulation even while the STOP MARKING is in force, imposition of STOP MARKING on them for the 3<sup>rd</sup> time, multiple failure of samples, including market samples, admission before the then Additional Secretary and also before the Technical Committee of BIS by the Managing Director of M/s Organic Industries Pvt. Ltd and his son that Boric Acid manufactured by them doesnot conform IS 10116:2015, duly recorded in the circulated Minutes of the above meetings, it humbly requested that strictest action be taken against the above firm by Cancelling their license and initiating prosecution against them, as prescribed in the BIS Act & Rules.

Thank you.

**Attachments:** Photo of Boric Acid packed in white plastic bags lying in the godown of Organic Industries 2.jpg; Video of Boric Acid packed in white plastic bags lying in godown of Organic Industries alongside Boric packed in regular jute bags.mp4; Photo of Boric Acid packed in white plastic bags lying in the godown of Organic Industries.jpg

Respected Sir,

We kindly refer to our email dated 21<sup>st</sup> October 2024 wherein we had provided irrefutable evidence of dispatches of Boric Acid by M/s Organic Industries Pvt. Ltd., after STOP MARKING instructions were issued to them.

Now, we kindly attach along with photographs and video of yesterday night as fresh evidence of Boric Acid packed in white plastic bags lying in the godown of M/s Organic Industries Pvt. Ltd, Dahej, alongside Boric Acid packed in regular jute bags. The plant was restarted after 14<sup>th</sup> October 2024 and this material was produced. The exact date of restart and again closure of the plant after packing of Boric Acid in white plastic bags is not known as yet. Some of this material in white plastic bags were dispatched at late nights under cover of darkness. We do not know as yet if this material was dispatched along with an Invoice or without an Invoice as yet. If dispatched with the Invoice, the way bill for these dispatches should be available on the GST portal.

Therefore, it will be in consumer interest, that strictest action be taken urgently against M/s Organic Industries Pvt. Ltd., Dahej by **Cancelling their license** and **initiating prosecution** against them for openly flouting the BIS Act & the Rules.

Thank you,

With Best Regards,

Pravin Chavan

**Subject:** Regarding false Certificate of Analysis issued by M/s Organic Industries Pvt. Ltd., Dahej  
**Attachments:** Certificates of Analysis issued by Organic Industries Pvt. Ltd., Dahej.pdf

Respected Sir,

In continuation to the previous mail, we kindly enclose along with in a single pdf file, numerous Certificates of Analysis, with the same format, issued by M/s Organic Industries Pvt. Ltd., Dahej for the Boric Acid Technical Grade manufactured by them which specifically mention the quantity of 'Sulphate' and 'Chloride' in their respective Certificates of Analysis. As you can see, these are similar to the Certificate of Analysis submitted by us along with the complaint. In view of the above, the plea of M/s Organic Industries Pvt. Ltd., Dahej regarding forging of Certificate of Analysis is absolutely preposterous.

The attached Certificate of Analysis of M/s Organic Industries Pvt. Ltd., Dahej were also submitted by us to BIS and may be available in their files as well.

Further, in the meeting dated 11.07.2023 at Krishi Bhavan under the chairmanship of the then Additional Secretary (Consumer Affairs) Smt. Nidhi Khare, the attached Certificates of Analysis were produced by us in the meeting. When asked, why M/s Organic Industries Pvt. Ltd., Dahej. is issuing wrong Certificate of Analysis when their material is not conforming to IS 10116 : 2015 and this non-conformance is also being admitted by Directors of M/s Organic Industries Pvt. Ltd. in the very same meeting dated 11.07.2023, M/s Organic Industries Pvt. Ltd., Dahej replied that they are forced to issue such false Certificates of Analysis by BIS inspectors (in Hindi).

Since this meeting dated 11.07.2023 was audio/video recorded, you can verify the above by listening to the recordings of the said meeting, which is available with the Department.

As per the evidence from the attached Certificates of Analysis and the statements of admission by M/s Organic Industries Pvt. Ltd. in the meeting called by Additional Secretary (Consumer Affairs) Smt. Nidhi Khare on 11.07.2023 as mentioned above, their Certificates of Analysis are always false and have absolutely no relation to the quality of material being manufactured and sold by them. This is once again proved by the recent failure of their sample leading to "Stop Marking" instructions as has happened at-least twice in the past.

The irrefutable evidences of their dispatches on 14<sup>th</sup> October 2024 even after issue of "Stop Marking" on 11<sup>th</sup> October 2024, have already been submitted to you and must have been verified by you now.

We have also seen evidence of market samples of M/s Organic Industries Pvt. Ltd. failing in the lab, and the concerned officer informing M/s Organic Industries Pvt. Ltd. about the failure of their market samples, but taking no action for such failure against them for such failure. We are refraining from providing this evidence at this stage in order to avoid embarrassment to the said officer, but if the need arises we will be forced to produce it before the Court of law.

By taking a frivolous plea of forged Certificate of Analysis being attached with our complaint, which is easily proven wrong by the above-mentioned evidences, they are trying to divert the attention of the Department from the very pertinent fact that their sample has failed in quality, and that they have continued to dispatch large amounts of Boric Acid inspite of “Stop Marking” in sheer defiance of the BIS Act and Rules.

In view of repeated violations, we once again urge for the complete Cancellation of license of M/s Organic Industries Pvt. Ltd., Dahej, and for launch of prosecution against them as provided in the BIS Act, Rules and Regulations.

Thank you,

With Best Regards,

**Subject:** Fresh evidence against Organic Industries Pvt. Ltd., Dahej

Respected Sir,

We kindly refer to our email dated 21<sup>st</sup> October 2024 wherein we had provided irrefutable evidence of dispatches of Boric Acid by M/s Organic Industries Pvt. Ltd., after STOP MARKING instructions were issued to them.

Now, we kindly attach along with photographs and video of yesterday night as fresh evidence of Boric Acid packed in white plastic bags lying in the godown of M/s Organic Industries Pvt. Ltd, Dahej, alongside Boric Acid packed in regular jute bags. The plant was restarted after 14<sup>th</sup> October 2024 and this material was produced. The exact date of restart and again closure of the plant after packing of Boric Acid in white plastic bags is not known as yet. Some of this material in white plastic bags were dispatched at late nights under cover of darkness. We do not know as yet if this material was dispatched along with an Invoice or without an Invoice as yet. If dispatched with the Invoice, the eway bill for these dispatches should be available on the GST portal.

Therefore, it will be in consumer interest, that strictest action be taken urgently against M/s Organic Industries Pvt. Ltd., Dahej by **Cancelling their license** and **initiating prosecution** against them for openly flouting the BIS Act & the Rules.

Thank you,

With Best Regards,

Pravin Chavan

**Attachments:** Photo of Boric Acid packed in white plastic bags lying in the godown of Organic Industries 2.jpg; Video of Boric Acid packed in white plastic bags lying in godown of Organic Industries alongside Boric packed in regular jute bags.mp4; Photo of Boric Acid packed in white plastic bags lying in the godown of Organic Industries.jpg; Photo of Boric Acid produced by Organic in white plastic bag with ISI markings.jpg

Respected Sir,

In continuation of our e-mail dated 24<sup>th</sup> October 2024 where we attached along with photographs and video of fresh evidence of Boric Acid packed in **white plastic bags** instead of mandatory Jute bags, stored in large quantities in the godown of M/s Organic Industries Pvt. Ltd, Dahej, alongside Boric Acid packed in regular jute bags.

Along with the previous videos and photographs, we now attach herewith a photograph which clearly shows that the white plastic bags are printed with “ISI mark”, “Boric Acid Technical” and the complete name and address of Organic Industries Pvt. Ltd is also printed on them.

This is an additional violation of IS 10116:2015.

The above Boric Acid white plastic bags in large quantities were present during the visit of your inspector yesterday at Organic Industries Dahej and must have also been noted by him.

In view these multiple violations of IS 10116:2015 showing total contempt for BIS Act, Rules and Regulations leading to imposition of “Stop Marking”, it is humbly requested that the license of M/s Organic Industries, Dahej be cancelled, factory sealed and prosecution launched against the management on an urgent basis.

Failure or delay in action is creating a meek image of BIS in the eyes of the trade, with Organic Industries being treated as a Hero for openly defying the Bureau by breaking the law continuously over the years, with full knowledge of BIS and the Bureau being able to do little in the matter.

With Best Regards,

Pravin Chavan

**Subject:** Fresh evidence against Organic Industries Pvt. Ltd., Dahej

Respected Sir,

We kindly refer to our email dated 21<sup>st</sup> October 2024 wherein we had provided irrefutable evidence of dispatches of Boric Acid by M/s Organic Industries Pvt. Ltd., after STOP MARKING instructions were issued to them.

Now, we kindly attach along with photographs and video of yesterday night as fresh evidence of Boric Acid packed in white plastic bags lying in the godown of M/s Organic Industries Pvt. Ltd, Dahej, alongside Boric Acid packed in regular jute bags. The plant was restarted after 14<sup>th</sup> October 2024 and this material was produced. The exact date of restart and again closure of the plant after packing of Boric Acid in white plastic bags is not known as yet. Some of this material in white plastic bags were dispatched at late nights under cover of darkness. We do not know as yet if this material was dispatched along with an Invoice or without an Invoice as yet. If dispatched with the Invoice, the away bill for these dispatches should be available on the GST portal.

Therefore, it will be in consumer interest, that strictest action be taken urgently against M/s Organic Industries Pvt. Ltd., Dahej by **Cancelling their license** and **initiating prosecution** against them for openly flouting the BIS Act & the Rules.

Thank you,

With Best Regards,

Pravin Chavan
