To,

Dear Madam/Sir,

Document Number : AYD 02 (26118) WC

Title of the document : Glossary of Yoga Terminology Part 1 Standardized Terminology for Commonly used Terms related to Yoga Amendment - 1

Document Type : Amendment to Indian Standard (IS 17874 : Part 1: 2022)

This document has following salient features which may require specific attention for your valuable comments:

1) There are numerous commonly used technical terms which are specific to Yoga including the terminology pertaining to topics like Śaṭkarma, Yogāsana, Prāṇāyāma etc. There is a tendency to interpret such terms subjectively. Moreover, several terms are common to Ayurveda as well as Yoga but are used with slightly different connotation. To allay any such ambiguity, this Part 1 of the Standard has been formulated to provide standardized definitions of commonly used terms related to Yoga. Subsequent parts of this Standard shall address the terminologies specific to various Yoga Practices such as Śaṭkarma, Yogāsana, Prāṇāyāma and Dhyāna (meditation). The inputs for formulation of this standard have been derived from the information available in the public domain in print and electronic media including authoritative books of Yoga. It is advisable that various Yoga practices as mentioned in the standard should be done under the guidance/supervision of a Yoga Expert.
