**To,**

**All concerned**

Dear Madam/Sir,

The following document has been prepared by the Cement And Concrete Sectional Committee, CED 02. Please [click here](#) to view the document.

**Document Number : CED 02 (25733) WC**

**Title of the document : Design of Post - Installed Anchorage to Concrete - Code of Practice**

**Document Type : New Indian Standard**

*This document has following salient features which may require specific attention for your valuable comments:*

*1) This standard has been formulated to specify requirements for design of connections using post installed anchors as failure of connections in buildings and structures poses risk to human life and considerable economic consequences. Hence, they should be designed, assessed and evaluated in accordance with the well-established engineering principles.*

Please examine the document and share your comments regarding further improvement in the document.

**Last date for sharing the comments is : 30 July 2024**

The comments should be shared in the prescribed template through this portal only; and the comments so received shall be taken up by the Sectional Committee for necessary action. For any other query, please write an email at [ced2@bis.gov.in](mailto:ced2@bis.gov.in) to the undersigned at Bureau of Indian Standard, Manak Bhawan, 9, Bahadur Shah Zafar Marg, New Delhi.

In case no comments are received, we would presume your approval of the documents. However, in case we receive
