## DRAFT INDIAN STANDARD IN WIDE CIRCULATION

Reference : CED 02:1/T-15

Date : 04 September 2024

TECHNICAL COMMITTEE : Cement And Concrete, CED 02

To,

All concerned

Dear Madam/Sir,

The following document has been prepared by the Cement And Concrete Sectional Committee, CED 02. Please [click here](#) to view the document.

**Document Number : CED 02 (26499) WC**

**Title of the document : Definitions and terminology relating to hydraulic cement First Revision of IS 4845**

**Document Type : Revision of Indian Standard (IS 4845 : 1968)**

*This document has following salient features which may require specific attention for your valuable comments:*

1) Hydraulic cement, more commonly known as cement, is one of the most extensively used basic materials in all civil engineering constructions. Tremendous progress in the civil engineering industry and the exacting demands of engineers for high quality building materials have resulted in the development of a large variety of hydraulic cements, both for specialized and general use in civil engineering constructions. There are a number of technical terms connected with the production and use of different type of hydraulic cements, which quite often require clarifications to give precise meaning to the stipulations in the standard specification and other technical documents. This standard has been prepared with the object of defining various terms relating to hydraulic cements.

Please examine the document and share your comments regarding further improvement in the document.

**Last date for sharing the comments is : 31 October 2024**

The comments should be shared in the prescribed template through this portal only; and the comments so received shall be taken up by the Sectional Committee for necessary action. For any other query, please write an email at [ced@bis.gov.in](mailto:ced@bis.gov.in) to the undersigned at Bureau of Indian Standard, Manak Bhawan, 9, Bahadur Shah Zafar Marg, New Delhi.

In case no comments are received, we would presume your approval of the documents. However, in case we receive any comments on the document, the same shall be put up to the Sectional Committee for necessary action.

Thanking You,

**Yours faithfully,**
