## DRAFT INDIAN STANDARD IN WIDE CIRCULATION

Reference : CHD 20(20627)WC

Date : 03 October 2022

**TECHNICAL COMMITTEE : Paints, Varnishes And Related Products, CHD 20**

To,

All concerned

Dear Madam/Sir,

The following document has been prepared by the Paints, Varnishes And Related Products Sectional Committee, CHD 20. Please [click here](#) to view the document.

**Document Number : CHD 20 (20627) WC**

**Title of the document : VARNISH FINISHING AND GENERAL PURPOSE - SPECIFICATION (Third Revision)**

**Document Type : Revision of Indian Standard (IS 524 : 1983)**

*This document has following salient features which may require specific attention for your valuable comments:*

- 1) This revision has been taken up in order to bring out the standard in the latest style and format of the Indian Standards. While reviewing this standard along with other Indian Standards on the same subject, the committee is of the opinion that IS 525 : 1968 "Specification for Varnish, Finishing, Exterior and General Purpose", IS 337 : 1975 "Specification for Varnish, Finishing, Interior", IS 198 : 1978 "Specification for Varnish Gold size" and this standard have almost similar requirements and applications. Therefore, the committee recommended that it is prudent to merge the scopes of all four standards into one single standard. Accordingly, the scope, title, and requirements of this standard have been modified in order to encompass scopes of other standards on the same subject.*
- 2) Some of the key changes are as follows: a) The maximum limit for lead has been specified considering its adverse impact on human health. b) The corresponding parts of IS 101 has been referred for the test methods procedure as earlier referred test method IS 197 has been withdrawn. c) A suitable precautionary note has been added in the marking clause in order to prevent unforeseen events. d) References of Indian Standards have been updated wherever required.*

Please examine the document and share your comments regarding further improvement in the document.

**Last date for sharing the comments is : 02 December 2022**
