DRAFT INDIAN STANDARD IN WIDE CIRCULATION

Reference : CHD 34/22991

Date : 21 September 2023

TECHNICAL COMMITTEE : Environmental Management, CHD 34

To,

All concerned

Dear Madam/Sir,

The following document has been prepared by the Environmental Management Sectional Committee, CHD 34. Please [click here](#) to view the document.

Document Number : CHD 34 (22991) WC

Title of the document : Environmental management systems Guidelines for incorporating material circulation in design and development

Document Type : New Indian Standard

This document has following salient features which may require specific attention for your valuable comments:

- 1) This standard gives guidelines for assisting organizations in establishing, documenting, implementing, maintaining and continually improving material circulation in their design and development in a systematic manner, using an environmental management system (EMS) framework.*
- 2) This standard provides guidelines for design strategies on material circulation to achieve the material efficiency objectives of an organization, by focusing on the following aspects: — type and quantity of materials in products; — product lifetime extension; — recovery of products, parts and materials.*

Please examine the document and share your comments regarding further improvement in the document.

Last date for sharing the comments is : 25 November 2023

The comments should be shared in the prescribed template through this portal only; and the comments so received shall be taken up by the Sectional Committee for necessary action. For any other query, please write an email at chd@bis.gov.in to the undersigned at Bureau of Indian Standard, Manak Bhawan, 9, Bahadur Shah Zafar Marg, New Delhi.

In case no comments are received, we would presume your approval of the documents. However, in case we receive any comments on the document, the same shall be put up to the Sectional Committee for necessary action.
