

## DRAFT INDIAN STANDARD IN WIDE CIRCULATION

Reference : ETD 16/T

Date : 20 July 2023

**TECHNICAL COMMITTEE : Transformers, ETD 16**

To,

**All concerned**

Dear Madam/Sir,

The following document has been prepared by the Transformers Sectional Committee, ETD 16. Please [click here](#) to view the document.

**Document Number : ETD 16 (23039) WC**

**Title of the document : Onsite diagnostic testing of power transformers for conditionhealth assessment**

**Document Type : New Indian Standard**

*This document has following salient features which may require specific attention for your valuable comments:*

*1) Due to disturbances/transients from the power system as well as increasing age of the transformer population, onsite diagnostic testing and condition assessment are important to secure a reliable operation of the electrical power system. For this purpose, offline and online diagnostic methods for power transformers have been developed which offers the possibility of detecting incipient faults. Offline diagnostic methods are used mainly during scheduled inspections or when transformer trips and it is suspected that the transformer has failed whereas online methods are used during the operation and offer a possibility to record the parameters and monitor the condition under realistic operating conditions (e.g., electric field, load, and temperature).*

Please examine the document and share your comments regarding further improvement in the document.

**Last date for sharing the comments is : 18 September 2023**

The comments should be shared in the prescribed template through this portal only; and the comments so received shall be taken up by the Sectional Committee for necessary action. For any other query, please write an email at [etd@bis.gov.in](mailto:etd@bis.gov.in) to the undersigned at Bureau of Indian Standard, Manak Bhawan, 9, Bahadur Shah Zafar Marg, New Delhi.

In case no comments are received, we would presume your approval of the documents. However, in case we receive any comments on the document, the same shall be put up to the Sectional Committee for necessary action.

Thanking You,

**Yours faithfully,
