## DRAFT INDIAN STANDARD IN WIDE CIRCULATION

Reference : ETD42/T-1

Date : 21 September 2023

**TECHNICAL COMMITTEE : Wind Turbines, ETD 42**

To,

All concerned

Dear Madam/Sir,

The following document has been prepared by the Wind Turbines Sectional Committee, ETD 42. Please [click here](#) to view the document.

**Document Number : ETD 42 (23627) WC**

**Title of the document : Wind energy generation systems Part 12-2: Power performance of electricity producing wind turbines based on nacelle anemometry**

**Document Type : New Indian Standard**

*This document has following salient features which may require specific attention for your valuable comments:*

*This standard specifies a procedure for verifying the power performance characteristics of a single electricity-producing, horizontal axis wind turbine that is not considered to be a small wind turbine. It is expected that this document be used when the specific operational or contractual specifications do not comply with the requirements. The procedure can be used for power performance evaluation of specific turbines at specific locations, but equally the methodology can be used to make generic comparisons between different turbine models or different turbine settings.*

Please examine the document and share your comments regarding further improvement in the document.

**Last date for sharing the comments is : 21 November 2023**

The comments should be shared in the prescribed template through this portal only; and the comments so received shall be taken up by the Sectional Committee for necessary action. For any other query, please write an email at eetd@bis.gov.in to the undersigned at Bureau of Indian Standard, Manak Bhawan, 9, Bahadur Shah Zafar Marg, New Delhi.

In case no comments are received, we would presume your approval of the documents. However, in case we receive any comments on the document, the same shall be put up to the Sectional Committee for necessary action.

Thanking You,

**Yours faithfully,  
(PRITI BHATNAGAR)  
Head (Electrotechnical Department)
