DRAFT INDIAN STANDARD IN WIDE CIRCULATION

Reference : FAD 18/T

Date : 06 December 2024

TECHNICAL COMMITTEE : Slaughter House And Meat Industry, FAD 18

To,

All concerned

Dear Madam/Sir,

The following document has been prepared by the Slaughter House And Meat Industry Sectional Committee, FAD 18. Please [click here](#) to view the document.

Document Number : FAD 18 (23955) WC

Title of the document : ROTARY ANIMAL RESTRAINER SPECIFICATION

Document Type : New Indian Standard

This document has following salient features which may require specific attention for your valuable comments:

- 1) Rotary Animal Restrainers are devices that are used to immobilise the animals and control them during the slaughtering process. They are also known as Slaughter Boxes/ Killing Boxes as the heads are separated from the body of the animals in this device. It is a hygienic method of slaughtering the animals as there is a passage where the blood can be passed off. The use of a slaughter box/ rotary animal restrainer is important in ensuring compliance with animal welfare requirements, as its use, reduces stress experienced by the animal to very minimal levels. It also ensures the animal slaughtered cannot see other animals slaughtered or dressed.*
- 2) In order to address the above, it was felt necessary to develop a standard for slaughter boxes so that effective slaughtering can take place. India has much potential to export the meat to other countries by ensuring the correct slaughter procedures which yield quality meat. The standardization of slaughter boxes will help to put hygiene slaughtering process in place.*
- 3) This standard specifies requirements in respect of material, design and dimensions and other requirements of rotary*

animal restrainer.

Please examine the document and share your comments regarding further improvement in the document.

Last date for sharing the comments is : 04 February 2025

The comments should be shared in the prescribed template through this portal only; and the comments so received shall be taken up by the Sectional Committee for necessary action. For any other query, please write an email at fad@bis.gov.in to the undersigned at Bureau of Indian Standard, Manak Bhawan, 9, Bahadur Shah Zafar Marg, New Delhi.

In case no comments are received, we would presume your approval of the documents. However, in case we receive any comments on the document, the same shall be put up to the Sectional Committee for necessary action.

Thanking You,

Yours faithfully,
(SUNEETI TOTEJA)
Head (Food and Agriculture Department)
