

DRAFT INDIAN STANDARD IN WIDE CIRCULATION

Reference : FAD 5/T

Date : 15 July 2024

TECHNICAL COMMITTEE : Animal Feeds and Nutrition, FAD 05

To,

All concerned

Dear Madam/Sir,

The following document has been prepared by the Animal Feeds and Nutrition Sectional Committee, FAD 05. Please [click here](#) to view the document.

Document Number : FAD 05 (22003) WC

Title of the document : COMPOUNDED FEED FOR PREGNANT COWS AND BUFFALOES - SPECIFICATION

Document Type : New Indian Standard

This document has following salient features which may require specific attention for your valuable comments:

- 1) Adequate feeding ensures that all essential nutrients are provided to meet the nutrient requirements of pregnant cows and buffaloes. Therefore, it was felt to develop a separate specification for pregnant cows and buffaloes.*
- 2) This standard prescribes the requirements and the methods of sampling and test for compounded feed for pregnant cows and buffaloes.*
- 3) The standard specifies limits for quality characteristics such as moisture, crude protein, crude fat, crude fiber, acid insoluble ash, aflatoxin B1, etc. in the feed. It ensures that the feed is free from harmful constituents, metallic pieces and adulterants.*

Please examine the document and share your comments regarding further improvement in the document.

Last date for sharing the comments is : 15 September 2024

The comments should be shared in the prescribed template through this portal only; and the comments so received

shall be taken up by the Sectional Committee for necessary action. For any other query, please write an email at fad@bis.gov.in to the undersigned at Bureau of Indian Standard, Manak Bhawan, 9, Bahadur Shah Zafar Marg, New Delhi.

In case no comments are received, we would presume your approval of the documents. However, in case we receive any comments on the document, the same shall be put up to the Sectional Committee for necessary action.

Thanking You,

Yours faithfully,
(SUNEETI TOTEJA)
Head (Food and Agriculture Department)
