DRAFT INDIAN STANDARD IN WIDE CIRCULATION

Reference : FAD 29/ T

Date : 15 July 2024

TECHNICAL COMMITTEE : Alcoholic Drinks, FAD 29

To,

All concerned

Dear Madam/Sir,

The following document has been prepared by the Alcoholic Drinks Sectional Committee, FAD 29. Please [click here](#) to view the document.

Document Number : FAD 29 (26165) WC

Title of the document : SENSORY EVALUATION OF INDIAN MADE FOREIGN LIQUORS IMFL METHOD OF TEST

Document Type : Revision of Indian Standard (IS 11583 : 1986)

This document has following salient features which may require specific attention for your valuable comments:

1) To evaluate the flavour of Indian made foreign liquors (IMFL) by chemical and instrumental methods or routine quality control is not practicable. The other limitation of instrumental analysis is that it cannot integrate the flavour impression as is gathered by human senses. The analysis of quality of IMFL can, therefore, be done conveniently by sensory evaluation which gives the sum total of interaction of different flavor components. This standard, based on practices being followed by IMFL manufacturers, has been evolved to guide the evaluation on a more acceptable and uniform manner.

Please examine the document and share your comments regarding further improvement in the document.

Last date for sharing the comments is : 13 September 2024

The comments should be shared in the prescribed template through this portal only; and the comments so received shall be taken up by the Sectional Committee for necessary action. For any other query, please write an email at fad@bis.gov.in to the undersigned at Bureau of Indian Standard, Manak Bhawan, 9, Bahadur Shah Zafar Marg, New Delhi.

In case no comments are received, we would presume your approval of the documents. However, in case we receive any comments on the document, the same shall be put up to the Sectional Committee for necessary action.

Thanking You,

Yours faithfully,
(SUNEETI TOTEJA)
Head (Food and Agriculture Department)
