DRAFT INDIAN STANDARD IN WIDE CIRCULATION

Reference : LITD 14/T-26406   **Date : 06 December 2024**

TECHNICAL COMMITTEE : Software And System Engineering, LITD 14

To,

All concerned

Dear Madam/Sir,

The following document has been prepared by the Software And System Engineering Sectional Committee, LITD 14. Please click here to view the document.

Document Number : LITD 14 (26406) WC
Title of the document : Software and Systems Engineering DevOps - Principles and Practices
Document Type : New Indian Standard

This document has following salient features which may require specific attention for your valuable comments:

1) All software systems have a lifecycle, irrespective of whether it is established formally or not. A lifecycle is a set of distinguishable phases or stages that the software goes through from its conceptualization until it ceases to exist. Software systems typically pass through their lifecycle as the result of tasks being performed by organizations and people, by instantiating a framework of processes and activities for their respective contexts.

Please examine the document and share your comments regarding further improvement in the document.

Last date for sharing the comments is : 09 February 2025

The comments should be shared in the prescribed template through this portal only; and the comments so received shall be taken up by the Sectional Committee for necessary action. For any other query, please write an email at litd@bis.gov.in to the undersigned at Bureau of Indian Standard, Manak Bhawan, 9, Bahadur Shah Zafar Marg, New Delhi.

In case no comments are received, we would presume your approval of the documents. However, in case we receive any comments on the document, the same shall be put up to the Sectional Committee for necessary action.

Thanking You,

Yours faithfully,
