DRAFT INDIAN STANDARD IN WIDE CIRCULATION

Reference : T-23080

Date : 31 July 2024

TECHNICAL COMMITTEE : E-Learning, LITD 19

To,

All concerned

Dear Madam/Sir,

The following document has been prepared by the E-Learning Sectional Committee, LITD 19. Please [click here](#) to view the document.

Document Number : LITD 19 (23080) WC

Title of the document : Code of Practice for Designing Online Course Contents and Quality Assessment of Course Content Delivery Platform Part 2: Online Course Contents Quality Model and Assessment

Methodology

Document Type : New Indian Standard

This document has following salient features which may require specific attention for your valuable comments:

- 1) Different dimensions mentioned in the online course contents quality assessment criterion are based on the factors that are considered to be important from a particular stakeholder perspective. For example, a novice considers factors like publisher/author's reputation, table of contents, whether the material contains any illustrations and/or solved problems, vocabulary (ease of reading) etc., which influence his/her selection about course material. A quick glance on known topic will give better understanding of quality of content. However, the factors in determining content quality from subject matter expert perspective would be different from that of a novice user. Information coverage, relevance to the objectives of the topic and the content accuracy are the most important aspects of consideration from subject matter expert's perception.*
- 2) At the same time it is also important to look at the standards or best practices which are most relevant to the digital technologies using which the course contents are being developed. Clause 5.0 (Part 1) of this specification, in content development approach, recommended the technologies to be used for content development.*

Please examine the document and share your comments regarding further improvement in the document.

Last date for sharing the comments is : 30 August 2024

The comments should be shared in the prescribed template through this portal only; and the comments so received shall be taken up by the Sectional Committee for necessary action. For any other query, please write an email at

litd@bis.gov.in to the undersigned at Bureau of Indian Standard, Manak Bhawan, 9, Bahadur Shah Zafar Marg, New Delhi.

In case no comments are received, we would presume your approval of the documents. However, in case we receive any comments on the document, the same shall be put up to the Sectional Committee for necessary action.

Thanking You,

Yours faithfully,
(REENA GARG)
Head (Electronics and Information Technology Department)
