

DRAFT INDIAN STANDARD IN WIDE CIRCULATION

Reference : LITD 22_22537

Date : 08 July 2024

TECHNICAL COMMITTEE : Geospatial Information, LITD 22

To,

All concerned

Dear Madam/Sir,

The following document has been prepared by the Geospatial Information Sectional Committee, LITD 22. Please [click here](#) to view the document.

Document Number : LITD 22 (25537) WC

Title of the document : Geographic Information Land Administration Domain Model LADM

Document Type : Revision of Indian Standard (IS 18594 : 2024)

This document has following salient features which may require specific attention for your valuable comments:

- 1) This document defines a reference Land Administration Domain Model (LADM) covering basic information-related components of land administration/georegulation*
- 2) The first goal of this document is to enable involved parties, both within one country and between different countries, to communicate, based on the shared vocabulary implied by the model. This document does not aim to replace existing systems, but rather to provide a formal language (the Unified Modelling Language, UML) for describing them, so that their similarities and differences can be better understood.*
- 3) The second goal is to provide an extensible basis for the development and refinement of land administration systems, based on a Model Driven Architecture (MDA). This document is relevant for creating standardized information services in a national or international context, where land administration domain semantics have to be shared between organizations, regions or countries, in order to enable necessary translations.*
- 4) Other parts of the IS 18594 series will address specific areas of the land administration paradigm, building upon the common core schema defined in this document.*

Please examine the document and share your comments regarding further improvement in the document.

Last date for sharing the comments is : 08 September 2024

The comments should be shared in the prescribed template through this portal only; and the comments so received shall be taken up by the Sectional Committee for necessary action. For any other query, please write an email at litd@bis.gov.in to the undersigned at Bureau of Indian Standard, Manak Bhawan, 9, Bahadur Shah Zafar Marg, New Delhi.

In case no comments are received, we would presume your approval of the documents. However, in case we receive any comments on the document, the same shall be put up to the Sectional Committee for necessary action.

Thanking You,

Yours faithfully,
