DRAFT INDIAN STANDARD IN WIDE CIRCULATION

Reference : LITD 28/T-22599

Date : 18 August 2023

TECHNICAL COMMITTEE : Smart Infrastructure, LITD 28

To,

All concerned

Dear Madam/Sir,

The following document has been prepared by the Smart Infrastructure Sectional Committee, LITD 28. Please [click here](#) to view the document.

Document Number : LITD 28 (22599) WC

Title of the document : Municipal Governance Part 3: Water and Sewerage Section 5: Taxonomy

Document Type : New Indian Standard

This document has following salient features which may require specific attention for your valuable comments:

- 1) Objective: The objective of this standard is to provide a framework for the classification and categorization of water and sewerage related aspects in the context of municipal governance.*
- 2) Taxonomy Development: It outlines the process for developing a taxonomy specific to water and sewerage, including the identification of parameters and criteria for classification.*
- 3) Classification System: The standard provides guidelines for creating a hierarchical classification system for different aspects of water and sewerage, such as water supply infrastructure, sewerage network, wastewater treatment, water quality monitoring, and water resource management.*
- 4) Data Collection and Analysis: The standard emphasizes the importance of collecting and analyzing relevant data to support the taxonomy development process and improve decision-making in managing water and sewerage systems.*
- 5) Standardized Documentation: It recommends the use of standardized documentation and terminology for water and sewerage aspects to enhance clarity, consistency, and effective communication among stakeholders.*
- 6) Integration with other Systems: The standard highlights the need to integrate the water and sewerage taxonomy with other relevant systems or frameworks, such as asset management systems, planning processes, and regulatory compliance.*
- 7) Stakeholder Engagement: It emphasizes the importance of engaging various stakeholders, including municipal authorities, water utilities, regulatory agencies, and community representatives, in the taxonomy development process to ensure inclusiveness and collective decision-making.*

Please examine the document and share your comments regarding further improvement in the document.

Last date for sharing the comments is : 17 October 2023

The comments should be shared in the prescribed template through this portal only; and the comments so received shall be taken up by the Sectional Committee for necessary action. For any other query, please write an email at litd@bis.gov.in to the undersigned at Bureau of Indian Standard, Manak Bhawan, 9, Bahadur Shah Zafar Marg, New Delhi.

In case no comments are received, we would presume your approval of the documents. However, in case we receive any comments on the document, the same shall be put up to the Sectional Committee for necessary action.

Thanking You,

Yours faithfully,
(ITS ADMIN)
Head (Electronics and Information Technology Department)
