## DRAFT INDIAN STANDARD IN WIDE CIRCULATION

Reference : LITD 28/T-22601

Date : 18 August 2023

TECHNICAL COMMITTEE : Smart Infrastructure, LITD 28

To,

All concerned

Dear Madam/Sir,

The following document has been prepared by the Smart Infrastructure Sectional Committee, LITD 28. Please [click here](#) to view the document.

**Document Number : LITD 28 (22601) WC**

**Title of the document : Municipal Governance Part 3: Trade License Section 4: Taxonomy**

**Document Type : New Indian Standard**

*This document has following salient features which may require specific attention for your valuable comments:*

- 1) Purpose: The purpose of this standard is to provide a framework for the classification and categorization of trade licenses in the context of municipal governance.*
- 2) Taxonomy Development: It outlines the process for developing a taxonomy specific to trade licenses, including the identification of parameters and criteria for classification.*
- 3) Classification System: The standard provides guidelines for creating a hierarchical classification system for different types of trade licenses based on factors such as business type, industry sector, and geographic location.*
- 4) Consistency and Uniformity: The standard emphasizes the importance of consistency and uniformity in the classification and categorization of trade licenses to ensure compliance with regulations and to promote effective governance.*
- 5) Standardized Documentation: It recommends the use of standardized documentation and terminology for trade licenses to enhance clarity, consistency, and effective communication among stakeholders.*
- 6) Stakeholder Engagement: The standard highlights the need for municipal authorities to engage with relevant stakeholders, such as business owners, regulatory agencies, and community representatives, in the taxonomy development process to ensure inclusiveness and collective decision-making.*
- 7) Compliance and Transparency: By following the taxonomy outlined in this section, municipal governance bodies can ensure that trade licenses are issued fairly and transparently, and that businesses are operating in compliance with regulatory requirements.*
