3.2, Table 1, Sl No. (xiii), Annex E	Requirement for impact failure load and its test method has been included

4. Consequent upon the issuance of the revised Standard, existing STI has been revised as **Doc: STI/7903/5 January 2018**.
5. The guidelines for implementation of the revised Standard is given below:

**A. For Licensees:**

- (i) All Licensees shall switchover to the revised Standard by **30 April 2018**. BOs shall ensure that no Licence is under operation as per the old Standard after **30 April 2018**.
- (ii) Licensees shall confirm conformance to the additional/modified requirements through In-house/ Independent Test Reports or Test Certificates, as applicable. Verification of additional requirements and facilities, may be done during the next visit.
- (iii) For the purpose of switchover, licensees may be requested to submit test reports for at least one variety of product as per the revised IS, to be covered under their licence.
- (iv) BO may issue endorsement for the revised STI after receipt of STI Acceptance and the confirmation from the Licensee on implementation of the revised Standard. If the Licensee fails to complete all actions by **30 April 2018** it shall be dealt with as per OMPC.

**B. For Applicants:**

- (i) Existing Applications where Sample has been submitted in the Laboratory/Test Report has been issued by the Laboratory may be processed as per the old Standard. However, if the Applicant is desirous of considering the Application as per the revised Standard, a declaration from the Applicant may be obtained to that effect and the Application may be processed accordingly. An undertaking from such Applicants shall also be obtained that if the sample fails in new test requirements, Licence will not be granted by BIS as per the old version.
- (ii) Applications which are recorded henceforth may be processed as per the old Standard or the revised Standard. Processing of Applications as per old Standard shall be permitted only upto **28 February 2018** and for such cases Applicant shall give a declaration that they will switchover to revised Standard by **30 April 2018**.
- (iii) Beyond **30 April 2018** no Licence shall be granted as per the old Standard.

**C. For Inclusions:**

- (i) For Inclusion of New Varieties, the relevant provisions as given above for Applicants shall apply.
6. The above guidelines come into force with immediate effect.
