DRAFT INDIAN STANDARD IN WIDE CIRCULATION

Reference : T-11

Date : 21 September 2021

TECHNICAL COMMITTEE : Security Equipment, MED 24

To,

All concerned

Dear Madam/Sir,

The following document has been prepared by the Security Equipment Sectional Committee, MED 24. Please [click here](#) to view the document.

Document Number : MED 24 (18101) WC

**Title of the document : FIRE RESISTING RECORD PROTECTION CABINETS SPECIFICATION
Second Revision of IS 14203**

Document Type : Revision of Indian Standard (IS 14203 : 2017)

This document has following salient features which may require specific attention for your valuable comments:

1) Security equipment play a vital role in the safety of cash, jewellery, important documents, etc., in various establishments such as banks, hotels, commercial organizations, offices, shops, etc. Normally such items including documents are stored in safes which protect these documents against theft and fire depending on the type of safes. However the fire resistance in safe is limited. In hotels, commercial organizations, banks etc., many documents need protection against the fire. This protection may be required during the currency of their use or for a long period of time. Record protection cabinets are generally used to offer such protection against fire to paper media like ledger, account books, legal documents, etc. These cabinets may, in turn, be kept either in strong room/book room in open halls.

Please examine the document and share your comments regarding further improvement in the document.

Last date for sharing the comments is : 20 November 2021

The comments should be shared in the prescribed template through this portal only; and the comments so received shall be taken up by the Sectional Committee for necessary action. For any other query, please write an email at med@bis.gov.in to the undersigned at Bureau of Indian Standard, Manak Bhawan, 9, Bahadur Shah Zafar Marg, New Delhi.

In case no comments are received, we would presume your approval of the documents. However, in case we receive any comments on the document, the same shall be put up to the Sectional Committee for necessary action.

Thanking You,

Yours faithfully,
(RAJNEESH KHOSLA)
Head (Mechanical Engineering Department)
