DRAFT INDIAN STANDARD IN WIDE CIRCULATION

Reference : MSD 10/T- 24

Date : 18 October 2024

TECHNICAL COMMITTEE : Social Responsibility, MSD 10

To,

All concerned

Dear Madam/Sir,

The following document has been prepared by the Social Responsibility Sectional Committee, MSD 10. Please [click here](#) to view the document.

Document Number : MSD 10 (26541) WC

Title of the document : Sustainability Reporting and Disclosure Requirements Part 5 Water and Marine Resources

Document Type : New Indian Standard

This document has following salient features which may require specific attention for your valuable comments:

1) *This document specifies requirements for the organization's impact and dependencies on water and marine resources. This document also specifies disclosure requirements for organizations for actions to be taken for water and marine resources. This document enumerates and specifies organization's relationship with water and marine resources, including use, preservation and restoration of water and marine resources. All the requirements of this Indian Standard are generic and are intended to be applicable to any organization, regardless of its type or size, or the products and services it provides.*

2) *NOTES: 1) Regardless of requirements given in this standard, the organizations shall also comply the disclosures requirements given by the regulator. 2) For any dispute arising out of the declarations made by an organization, the provisions of the regulations and the decision of the regulator shall be final. 3) This document is complementary and interoperable with existing voluntary and regulatory frameworks. 4) The topic of water and marine resources is closely connected to other environment topics such as, pollution and climate change, biodiversity and circular economy. Thus, this document shall be read in conjunction with Part 4, Part 6 and Part 7 of this standard.*

Please examine the document and share your comments regarding further improvement in the document.
