DRAFT INDIAN STANDARD IN WIDE CIRCULATION

Reference : PCD/18/23365

Date : 25 August 2023

TECHNICAL COMMITTEE : Fragrance and Flavour , PCD 18

To,

All concerned

Dear Madam/Sir,

The following document has been prepared by the Fragrance and Flavour Sectional Committee, PCD 18. Please [click here](#) to view the document.

Document Number : PCD 18 (23365) WC

Title of the document : OIL OF CITRONELLA JAVA SPECIFICATION

Document Type : Revision of Indian Standard (IS 512 : 1988)

This document has following salient features which may require specific attention for your valuable comments:

- 1) Oil of citronella (Java) is one of the most important essential oils used in perfumery industry. It acts as main starting material for the production of numerous important perfumery materials such as geraniol, citronellal and their derivatives. The oil as such also finds extensive use in perfumery, various household cleaners, technical products, insecticides, etc.*
- 2) In this (third) revision, the gas chromatographic method has been upgraded from Packed Column GC to Capillary Column GC for more accurate results, which are being progressively used in the country. Besides, the values for Optical Rotation, Refractive Index and Relative Density have been reported at 20°C in addition to 27°C in order to facilitate international trade, since the fragrance and flavor ingredients are traded at international level quoting the Optical Rotation, Relative Density and Refractive Index at 20°C rather than at 27°C as prescribed in the Indian standards. The requirement for Flash Point has also been incorporated in this revision.*

Please examine the document and share your comments regarding further improvement in the document.

Last date for sharing the comments is : 24 October 2023

The comments should be shared in the prescribed template through this portal only; and the comments so received shall be taken up by the Sectional Committee for necessary action. For any other query, please write an email at pcd@bis.gov.in to the undersigned at Bureau of Indian Standard, Manak Bhawan, 9, Bahadur Shah Zafar Marg, New Delhi.

In case no comments are received, we would presume your approval of the documents. However, in case we receive any comments on the document, the same shall be put up to the Sectional Committee for necessary action.

Thanking You,

Yours faithfully,
(ITS ADMIN)
Head (Petroleum, Coal and Related Products Department)
