## DRAFT INDIAN STANDARD IN WIDE CIRCULATION

Reference : PCD/19/19476

Date : 29 August 2023

TECHNICAL COMMITTEE : Cosmetics, PCD 19

To,

All concerned

Dear Madam/Sir,

The following document has been prepared by the Cosmetics Sectional Committee, PCD 19. Please [click here](#) to view the document.

**Document Number : PCD 19 (19476) WC**

**Title of the document : FACE WASH - SPECIFICATION**

**Document Type : New Indian Standard**

*This document has following salient features which may require specific attention for your valuable comments:*

1) *Face wash is a cosmetic product designed to meet hygiene needs of facial skin. Pollution, dust, dirt and excess oil all cause the face to get dirty, clogging pores and giving the skin a dull appearance. Cleansing the skin rids it of impurities, allowing it to breathe so that it can regain its natural balance. Right facial cleansing is essential every day. This is a well-recognized basic consumer need across countries including developing ones.*

Please examine the document and share your comments regarding further improvement in the document.

**Last date for sharing the comments is : 28 October 2023**

The comments should be shared in the prescribed template through this portal only; and the comments so received shall be taken up by the Sectional Committee for necessary action.
