DRAFT INDIAN STANDARD IN WIDE CIRCULATION

Reference : TED 02 (20895) WC

Date : 08 December 2023

TECHNICAL COMMITTEE : Automotive Primemovers, Transmission Systems and Internal Combustion Engine, TED 02

To,

All concerned

Dear Madam/Sir,

The following document has been prepared by the Automotive Primemovers, Transmission Systems and Internal Combustion Engine Sectional Committee, TED 02. Please [click here](#) to view the document.

Document Number : TED 02 (20895) WC

Title of the document : PIPE UNION BOLT — SPECIFICATION (Second Revision)

Document Type : Second Revision of IS 3174

This document has following salient features which may require specific attention for your valuable comments:

1) *In the first revision of this standard the scope had been expanded to include, apart from the requirements of the fuel injection equipment, the requirements of the other pipe connections also. Consequently, the title had been changed. Also, for designation, the pipe outside diameter was taken as the nominal size. While revising this standard, assistance had been derived from DIN 7643 Brazed and welded pipe unions with spherical liners; hollow screws, by Deutscher Normenausschuss (DNA). In this draft for second revision of this standard the referencing standards have been updated. A separate clause for references has also been introduced for ease of interpretation. However, wherever a reference to any Indian Standard appears in this specification, it shall be taken as a reference to the latest version of the standard.*

Please examine the document and share your comments regarding further improvement in the document.

Last date for sharing the comments is : 06 February 2024

The comments should be shared in the prescribed template through this portal only; and the comments so received shall be taken up by the Sectional Committee for necessary action. For any other query, please write an email at ted@bis.gov.in to the undersigned at Bureau of Indian Standard, Manak Bhawan, 9, Bahadur Shah Zafar Marg, New Delhi.

In case no comments are received, we would presume your approval of the documents. However, in case we receive any comments on the document, the same shall be put up to the Sectional Committee for necessary action.

Thanking You,

**Yours faithfully,
P.V. Srikanth
