DRAFT INDIAN STANDARD IN WIDE CIRCULATION

Reference : TED 22 (23030)

Date : 1 September 2023

TECHNICAL COMMITTEE : Transport Tractors, Trailers And Industrial Trucks, TED 22

To,

All concerned

Dear Madam/Sir,

The following document has been prepared by the Transport Tractors, Trailers And Industrial Trucks Sectional Committee, TED 22. Please [click here](#) to view the document.

Document Number : TED 22 (23030) WC

Title of the document : Road vehicles — Mechanical coupling between tractors and semi-trailers — Part 1: Interchangeability between tractors and semi-trailers for general cargo

Document Type : Revision of Indian Standard (IS 8007 : 2004)

This document has following salient features which may require specific attention for your valuable comments:

1) *This standard specifies dimensions to ensure interchangeability between a tractor vehicle and a coupled semi-trailer, the two together constituting an articulated vehicle. It specifies certain interchangeability dimensions, including those of the gooseneck contour, as well as operating dimensions related to angle values. The specifications permit the same semi-trailer to be used with either two- or three-axle tractors. Annex A gives interface technical specifications for tractors designed for towing high-cube semi-trailers, including ISO containers having an external height of 2.9 m. This standard covers articulated vehicles used in commercial cargo transport of the greatest possible variety. However, it may not be applicable to special combination types such as low-bed or tipper vehicles. This standard does not provide limitations of maximum gross mass and overall dimensions, which are generally laid down by legislative requirements.*

Please examine the document and share your comments regarding further improvement in the document.

Last date for sharing the comments is : 31 October 2023

The comments should be shared in the prescribed template through this portal only; and the comments so received shall be taken up by the Sectional Committee for necessary action. For any other query, please write an email at ted@bis.gov.in to the undersigned at Bureau of Indian Standard, Manak Bhawan, 9, Bahadur Shah Zafar Marg, New Delhi.

In case no comments are received, we would presume your approval of the documents. However, in case we receive any comments on the document, the same shall be put up to the Sectional Committee for necessary action.

Thanking You,

**Yours faithfully,
