DRAFT INDIAN STANDARD IN WIDE CIRCULATION

Reference : T-11

Date : 15 January 2025

TECHNICAL COMMITTEE : Foundation and Foundation Treatment, WRD 08

To,

All concerned

Dear Madam/Sir,

The following document has been prepared by the Foundation and Foundation Treatment Sectional Committee, WRD 08. Please [click here](#) to view the document.

Document Number : WRD 08 (27328) WC

Title of the document : GLOSSARY OF TERMS RELATING TO RIVER VALLEY PROJECTS PART 19 GROUTING

Document Type : Revision of Indian Standard (IS 4410 : Part 19 : 1996)

This document has following salient features which may require specific attention for your valuable comments:

1) A large number of Indian Standards have already been printed covering various aspects of river valley projects and some more are in the process of formulation. These standards include technical terms, and precise definitions for these are required for avoiding ambiguity in their interpretation. To achieve this aim, standardization of the terminologies relating to water resources projects has been brought out as Glossary of terms relating to river valley projects (IS 4410), published in parts. This part contains definitions of terms relating to grouting works.

Please examine the document and share your comments regarding further improvement in the document.

Last date for sharing the comments is : 16 March 2025

The comments should be shared in the prescribed template through this portal only; and the comments so received shall be taken up by the Sectional Committee for necessary action. For any other query, please write an email at wrd@bis.gov.in to the undersigned at Bureau of Indian Standard, Manak Bhawan, 9, Bahadur Shah Zafar Marg, New Delhi.
