विषय/Subject: Rotation of contractual staff as per CVC Intensive Report – reg.

This is in terms of Intensive Report submitted by CVC in respect of contractual manpower.

2. In the Intensive Report, CVC has specifically mentioned that, **“the nature of the work of BIS is sensitive, but the seat rotation policy of contractual staff was not available in the BIS records.”**

3. Therefore, in compliance of the above said findings of CVC, DG-BIS has decided that following:

- (i) With reference to contractual manpower engaged in the category of DEOs/MTSs in various departments at BIS-HQs, all the concerned Activity Heads are requested to rotate/re-shuffle them amongst the departments under their activity; and
- (ii) Regional DDGs are requested to devise a rotation plan for contractual manpower and complying with CVC findings.

4. The compliance report in respect of above rotation may please be submitted to HQ-GSD for compilation and submission of compliance report.
