11th June 2021

Subject: Product wise guidance on market surveillance under Scheme I - reg.

- 1) Bureau of Indian Standards is operating product certification scheme (Scheme I) as per BIS (Conformity Assessment) Regulations, 2018. Under Scheme I, the Bureau collects product samples for testing from market, as per the plan of action prepared in this regard. Apart from purchase from open market, samples are also collected from despatch point and Organised Buyers including feedback from purchasers. Collected product samples are then sent to laboratories for testing their compliance to the relevant standards. Based on laboratory test results, the Bureau takes appropriate follow up action regarding operation of license.

- 2) The Bureau has recently appointed external agencies to aid in collection of market samples. The allocation of licenses for drawl of Market Sample among the external agencies and BOs of Bureau will be undertaken by CSMD at All India level. The BOs and Agencies are required to utilise the data of consignee(s) which is to be uploaded by all licensees of Bureau, periodically through Manakonline for drawl of market samples.

- 3) In order to bring uniformity in market surveillance, analysis of products under certification was undertaken by CMDs & CSMD based on feedback from BOs and each product has been categorized as follows:
 - i) MS - Market Sample to be drawn (from open markets)
 - ii) DP - Dispatch Point sample to be drawn (from factory premises)
 - iii) OB - Samples to be drawn from Organized Buyers
 - iv) Feedback - Feedback to be obtained from buyers
 - v) FT – Products which are invariably subjected to testing in factory premises (Factory Testing)

- 5) The complete list of products under certification, as on date, is enclosed as an Annexure to this circular. Combinations such as DP/OB are indicated for certain products as samples for these products can be drawn from the licensee' premises (DP) or from the organized buyers who are buying these products (OB).

- 6) BOs may kindly take note of the above for compliance for market surveillance.
- 7) This issues with the approval of the competent authority.
