(महानिदेशक सचिवालय)

Ref: DG/G-1

I took the round of Manak Bhawan around 9.30 am today. It could be observed that clearly 90% of the staff including senior officers were not in their seats. Needless to say that this is not the desirable scenario.

Heads of the Departments must ensure punctuality and will be held responsible along with officers if the same scenario is observed in future.

DDGs also keep a watch and took suitable action to ensure punctuality.
