BUREAU OF INDIAN STANDARDS

Standards Coordination and Monitoring Department

Ref: SCMD/News & Articles

07 June 2024

Subject: New tile 'News & Articles' on BIS Standardization Portal

This is with reference to the sharing of News and Articles published in leading daily Newspapers, that are relevant to BIS Standardization Activity. To support the Technical Departments in keeping them updated on the latest happenings in their respective subject areas, a new initiative has been taken for sharing relevant News and Articles with all the Technical Departments.

With the view to cater to the above objective, SCMD has created a tile 'News & Articles' on BIS Standardization Portal to share the snapshots of the latest relevant information published in the Newspapers.

All officers are encouraged to use the above Tile.

- SCMD is making all efforts to cull out relevant News & Articles and upload them. However, if it is felt that there is some other shareworthy News/Article, please bring it to the notice of SCMD
- All are encouraged to use the above tile
