06 August 2024

Subject: Clarification on design and drawing examination charges for the purpose of Grant of licence/change in scope of licence for Cylinders, Valves and Regulators

This has reference to the subject matter.

2. Request for clarification on the subject matter has been received from BOs.
3. In this regard, following are clarified:
 - a) Design and drawing examination and its endorsement by BIS is required as per Rule 3 of gas Cylinder Rules, 2016 for processing any application for grant of licence or inclusion of additional variety in scope of licence.
 - b) No separate charges to be levied as design and drawing examination charges at the time of grant of licence/inclusion, as design and drawing examination is part of the process of Grant of licence/inclusion. Applicable inclusion processing fee (per variety/group of varieties as specified in BIS (Conformity Assessment) Regulations) only is to be charged in such cases.
4. This issues with the approval of Competent Authority.
