

DG SECRETARIAT

24th May 2022

With a view to developing a strategic roadmap for developing and revision of Indian Standards and ensuring optimum participation of the scientific workforce of the Organisation in the execution of the strategic roadmap, keeping in mind the emerging needs of the fast changing Indian economy and aspirational consumers, it has been decided to organise discipline-wise, day-long workshops, as per the schedule given below:

S.No.	Name of discipline	Date	Venue
1.	Chemical Engineering, Chemistry and Bio Chemistry	1 June 2022	Auditorium and Computer room of NITS
2	Food technology, Food Nutrition, Agricultural Engineering, Dairy Technology, Micro biology, Environment and Leather	1 June 2022	Conference room of NITS
3	Electrical and Instrumental Engineering	1 June 2022	Auditorium and Lal C Verman Hall of Manak Bhawan
4	Metallurgy	3 June 2022	Auditorium and Computer room of NITS
5.	Mechanical Engineering	3 June 2022	Auditorium and Lal C.Verman Hall of Manak Bhawan
6.	Civil Engineering., Physics, Textile Engineering and Statistics	3 June 2022	Conference room, NITS
7.	Electronics and Computer Engineering	6 June 2022	Auditorium, NITS

2. The workshops will start at 9.30 AM sharp and continue until 8.30 PM, followed by dinner.
3. All the Scientific Officers of BIS of the discipline concerned shall attend the workshop without fail. No leave should be granted and if granted already, be cancelled, for the days of workshop.
4. The Committee consisting of DDGs at Headquarters shall finalise the design, and session plan for the workshops and identify the Resource Persons to act as facilitators.

5. The topics for discussion may *inter-alia* include the following: -

- a) Keeping abreast of the emerging needs and trends
- b) Taking the standardization closer to the ground,
- c) Dealing with the large volume of work
- d) Identifying linkages with external trade,
- e) Promoting Research and Development.
- f) Ensuring timelines and quality.
