

Note No. #1**BUREAU OF INDIAN STANDARDS**
GUWAHATI BRANCH LABORATORY

Our Ref.: GBL/Samples/2023-24(2)

Subject: Rush the samples for testing at GBL.

This is in reference to the low sample inflow in the month of May 2023. From LIMS data it was found that eighty two (82) samples have been received during the month of May 2023. In general the average samples inflow at GBL is approximately one hundred twenty (120) samples per month.

2. In the view of above all ROs/BOs and Labs are requested to rush the samples for testing as per testing facility available on BIS website immediately. The samples may be send to GBL for testing as per details given below:

S.No क्र.सं	Name of the Section अनुभाग का नाम	Product Category उत्पाद श्रेणी	ISs/ आईएसएस	Remarks टिप्पणियां
1.	Mechanical testing section/ यांत्रिक परीक्षण खंड	1.Steel 2.Cement 3.Plywood	1.1786,2062,723 2.269,1489,16415,455,8229 3.710,303,1659,4990,5509,2202,1328	All BOs/Labs are kindly requested to check the BIS website before sending the samples.
